GENERAL CONDITIONS

You must tell us immediately in writing of every occurrence, claim, writ, summons, proceeding, impending prosecution, and inquest together with all relevant information which may result in a claim under this Policy, whether or not you believe any claim amount might fall below the excess. You must also disclose every change that comes to your knowledge which materially varies any of the facts or circumstances existing at the commencement of this Policy.

Reasonable Care

You must exercise reasonable care that only competent persons are employed and take reasonable measures to maintain all premises and equipment in sound condition. You must take all reasonable precautions to prevent personal injury and property damage and prevent the manufacture, sale or supply of defective products. You must comply with and ensure that your employees, servants and agents comply with all statutory obligations, by-laws or regulations imposed by public authorities for the safety of persons or property; including the disposal of waste products or the handling, storage or use of flammable liquids or substances, gases or toxic chemicals.

CLAIMS

What you must do

If an event happens which may give rise to a claim under this Policy you must tell us or tell Wyndham City as soon as possible. You will be provided with advice on the procedure to follow. You must supply us with all information we require to settle the claim and you must take all reasonable precautions to prevent further loss or damage. You must not negotiate, admit, repudiate or pay any claim by any person. You must co-operate with us fully in any action we take if we have a right to recover any money payable under this Policy from any other person. If in doubt at any time, ring us or Wyndham City Council for advice.

What you must NOT do

You must not admit liability if an incident occurs which is likely to result in someone claiming against you. You must not make any admission of guilt or promise or offer of payment in connection with any such claim, unless we first agree in writing. This applies to you or any other person making a claim under this Policy.

What we do

We may take over and conduct the defence or settlement of any claim or issue legal proceedings for damages. If we do this we will do it in your name. We have full discretion in the conduct of any legal proceedings and in the settlement of any claim. You must co-operate by giving us any statements, documents or assistance we require. This may include giving evidence in any legal proceedings.

What can affect a claim

We will reduce the amount of a claim by the deductible shown in the Policy Terms and Conditions or on the Policy Schedule. We may refuse to pay a claim if you are in breach of your Duty of Disclosure or any of the conditions of this Policy, including any endorsements noted on or attached to the Policy Schedule. We pay only once for loss or damage from the same event covered by this Policy even if it is covered under more than one section of the Policy. We may be entitled to refuse to pay or to reduce the amount of a claim if it is in any way fraudulent, or any fraudulent means or devices are used by you or anyone acting on your behalf to obtain any benefits under this Policy.
