Mayor's Message

I am thrilled to be a part of the Wyndham Community Volunteer Awards each year and 2015 is no different. We had so many great nominations come in over the past few months and I was heartened to see so many people from all parts of Wyndham nominated for their incredible efforts to improve our community. I can't wait to share the award winners with you when they are announced in late June.

There is also still time to get submissions in for the 2015 Wyndham Business Awards. Don't miss this opportunity to recognise a local business or business person who is helping to grow the Wyndham community. Award entries close Friday 26 June, so be quick.

There are a number of other exciting events coming up over the next few months too, including our FREE Pet & Animal Expo in September and the annual State Rose and Garden Show in November. The huge Pet Expo will be a great opportunity for Wyndham's passionate pet owners to get tips and advice from the industry's best and will include dog obedience demonstrations and exotic cat displays.

If you haven't already, connect with us on social media – it's the best way to stay up-to-date with all the great events, activities and work happening around Wyndham.

Wyndham City Mayor,
Cr Peter Maynard.

GET WYNDHAM MOVING

The new railway stations at Wyndham Vale and Tarneit will be operational when the Regional Rail Link (RRL) officially opens on Sunday 21 June.

The RRL will increase the size of Victoria's rail network, with 90km of new track and dedicated regional lines from West Werribee Junction to Deer Park, then along the existing rail corridor from Sunshine to Southern Cross Train Station.

To coincide with this change, Wyndham's bus network will be restructured to provide a well-integrated multi-modal network in which train and bus services are coordinated and run more frequently to both the new Geelong line and the Werribee line.

Wyndham City is aware of missing sections of footpath leading to the new Tarneit Station, adjacent to vacant land along parts of Leakes Road and Derrimut Road.

To improve accessibility for residents wishing to walk to the new Tarneit Station, Wyndham City is working to have concrete or temporary gravel footpaths installed in these missing sections prior to the opening.

Temporary footpaths are being installed in some locations because the land is expected to be developed in the near future and the temporary footpaths will be replaced or proposed roadworks will require the footpath location to be shifted.

To stay up to date with the latest RRL news in the lead up to the official opening visit:

ROAD UPGRADES FOR WYNDHAM

Wyndham residents will soon benefit from two road projects at Palmers Road in Point Cook and the Princes Freeway off ramp at Forsyth Road in Hoppers Crossing that will reduce travel time, making it easier to access public transport and improve safety.

Palmers Road will receive a bus transit lane and traffic lights at the corner of Palmers and Dunnings Roads will be adjusted to allow buses more time to pass through the intersection. Access to the Williams Landing Railway Station will also be improved. The State Government has contributed \$3.75 million and Wyndham City \$3 million towards this project.

The upgrade to Palmers Road was a key focus for the 'Get Wyndham Moving' campaign and Councillors and our local resident Transport Champions worked incredibly hard to raise the profile of this much needed project, so it is great to see it included in the Budget.

The Princes Freeway off ramp at Forsyth Road will be widened to two lanes and will reduce the length of traffic queues, particularly during the evening peak period and will reduce the risk of rear-end collisions.

2015/16 DRAFT BUDGET REVEALED

New roads, parks, kinders, a community centre and a new library are just some of the key infrastructure projects included in the draft 2015/16 budget.

Wyndham City released its draft budget 2015/2016, which includes \$91.26m in new capital works projects, at the Rates Showcase in April. The event gave residents the opportunity to get firsthand information on how their rates are being spent – from events and new roads to kindergartens and recycling. The proposed budget includes an average 5.5 per cent rate increase, allowing service levels to be maintained, implementation of a number of new initiatives and to also accommodate a reduction in Government Grants.

- Specific works in the draft 2015/16 budget include:
- \$5.1 million on Leakes Road from Tarneit to Davis Road
 - \$4.2 million on Dohertys Road reconstruction from Fitzgerald and Foundation Road
 - \$4.07 million on Saltwater Promenade Community Centre

- \$2.6 million on Clearwood Drive Pavilion and Car Park
- \$1.2 million on Truganina South Kindergarten
- \$1.8 million on a pedestrian bridge over Skeleton Creek
- \$3.6 million on Galvin Park Master Plan Implementation
- \$2.13 million on Mainview Boulevard Reserve

This includes \$27 million on buildings projects, \$20.37 million on roads, \$8.7 million on recreation and leisure projects and \$4.17 million on parks and open space.

The draft budget also features a number of new initiatives, including:

- Working with the residents to implement the Wyndham 2040 Community Plan
- Develop a Reconciliation Action Plan building respect between Aboriginals and Torres Strait Islanders
- Opening of the new Tarneit Library
- Develop and implement Council's Customer Service Strategy.

Council will adopt the final budget at a special council meeting on Monday 15 June.

POSITIVE CHARGE: FREE energy efficiency advice for you . . .

Want to go solar but don't know where to start?
Got an expensive bill you're not too sure about?

Wyndham City is helping Wyndham residents to access FREE energy efficiency advice for homes, schools or businesses. Call the independent experts at Positive Charge on 9385 8555 or visit their website for FREE advice and tips. They can also provide a FREE bill assessment, solar assessment or potential retrofitting opportunities to save energy in your home.

detox your home www.sustainability.vic.gov.au/detoxyourhome

Wyndham residents can now benefit from a FREE, easy-to-use service to safely dispose of paint, all types of household batteries and compact fluorescent lamps (CFLs) thanks to a new facility that has opened at the Wests Road Transfer Station in Werribee.

The permanent drop-off site provides householders with a free service that can be accessed throughout the year to safely dispose of paint, all types of household batteries and CFLs without harming human health or the environment.

While the dangers associated with improper disposal of paint, batteries and CFLs cannot always be seen, these products can pollute the environment for future generations, as well as harm their health. Please do not pour paint down the drain or put these products out with your regular rubbish collection.

Instead, you can reduce hazards in your home and protect the environment by disposing of these products safely and easily throughout the year at the Wests Road permanent drop-off site or other sites in the network.

Visit the sustainability website for a list of permanent drop-off sites and upcoming Detox your Home household chemical collection program locations.

Detox your Home is a free service for all Victorian householders, administered by Sustainability Victoria in collaboration with local councils and funded by the Victorian landfill levy. The products collected through both services are recycled for recovery and diverted from landfill.

Recycle the right way right away

Recycling is one of the easiest things we can do to help the environment. Follow these simple tips to ensure you're recycling right:

- Empty aerosol cans such as deodorant and hair spray can be recycled
- Pet food cans can be recycled
- Yoghurt, margarine and ice cream containers can be recycled
- Metal pots and pans can be recycled – just remove any glass lids first
- No broken cups or plates – they melt at a different temperature and can damage other glass
- No foam or polystyrene packaging
- No plastic bags including confectionery, bread bags or frozen food bags. Take these back to your major supermarkets to be recycled
- No bagged recyclables, keep items loose.

Local kids take the active way to school

Hundreds more local kids are now regularly walking, riding, scooting or skating to school, thanks to grants and support from Wyndham City's 'Healthy Together Wyndham'.

And the numbers are set to boom, with Healthy Together Wyndham providing five more local schools with grants of \$5,000 to create active travel to school plans that support staff, students and families getting to school on foot, bike or scooter.

Since 2014, Alamanda College in Point Cook, Baden Powell College in Tarneit and Corpus Christi Primary School in Werribee have launched active travel to school plans, with the support of Healthy Together Wyndham and Bicycle Victoria. All have reported a significant increase in the number of children, families and staff taking the active way to school.

Work is now underway at Iramoo, Bellbridge and St James the Apostle primary schools, Manor Lakes College and The Grange, to establish school travel plans.

WHAT'S YOUR VISION?

PRINCES HIGHWAY-GEELONG ROAD CORRIDOR, WERRIBEE

We are re-imagining the future of the Princes Highway - Geelong Road corridor (roads, naturestrip and properties) through Werribee and inviting you to have your say.

Princes Highway and Geelong Road are key entry points into Werribee off the Highway. We are keen to understand your thoughts and ideas on how the corridor presents to people visiting Werribee, which parts should become more 'urban' or 'greener' as well as opportunities and issues.

The plan may also impact those who live or own property within Princes Highway and Geelong Road.

To contribute, find out more or RSVP to a workshop:

THURSDAY 30 JULY 2015, 6:30 PM
Focus: Werribee City Centre, Synnot Street and river precinct

TUESDAY, 4 AUGUST 2015 AT 6:30 PM
Focus: Geelong Road -Wests Road

Don't let your home become a housefire statistic!

In 2014, the 3 most common causes of fire in Wyndham homes were Cooking, Electrical and Heating, with a majority of these fires occurring in kitchens and bedrooms.

Here are some useful tips to prevent fire in your home this winter:

- KITCHEN:**
- Store a fire extinguisher and fire blanket within reach but away from the cooking area
 - Supervise children in the kitchen,
 - Keep pot handles turned away from the front of the stove
 - Keep cooking appliances and area free from grime build-up
 - Never leave cooking unattended
 - Keep flammable items like tea towels or paper towels away from heat.
- BEDROOM:**
- Install and maintain smoke alarms throughout your home
 - Do not smoke in bed
 - Do not leave electrical appliances on the bed
 - Turn electric blankets on 30 minutes before getting into bed and turn them off once you are in bed. Keep controls at the side of the bed, regularly check for broken or worn wiring.

East Werribee road works now underway

VicRoads advises Wyndham residents to be aware of changed traffic conditions as road works for the East Werribee Employment Precinct start to ramp up over the next few months.

ABOUT THE PROJECT
The \$71 million road project, which VicRoads is delivering on behalf of the Metropolitan Planning Authority, will cater for the East Werribee Employment Precinct, located between Point Cook and Werribee.

Construction has started for the first stage of the project, which involves building a **new freeway interchange at Sneydes Road**.

Works have also begun at two intersections on Princes Highway, at the corner of Sneydes Road and at the Hoppers Lane and Old Geelong Road intersection and are planned to be completed before the new interchange opens in 2016.

The final stage of the project includes widening Sneydes Road will commence in mid 2015.

ROAD WORKS IN COMING MONTHS
Drivers are advised to look out for changed traffic conditions such as temporary lane closures on Sneydes Road and lower speed limits near the roadworks on Princes Highway.

Bradley Smits, Director of Operations at VicRoads has advised that these road works will be happening simultaneously, so drivers are encouraged to plan ahead and allow additional time.

"While there may be some inconvenience to drivers in the short-term, we need to ensure that works are safely completed, while traffic keeps moving."

"We'd like to thank the local community for their patience during this time. We'll advise the community about major road works as early as possible, to help minimise disruption."

All works are expected to be completed by late 2016.

CYCLING PATHS
Once Sneydes Road is upgraded, cyclists will be able to use Sneydes Road to access the Federation Trail near Hoppers Lane.

Wyndham Art Gallery

wyndham art prize

Wyndham is rapidly gaining an enviable reputation for quality and innovation in the arts as recognised with recent articles in the AGE and Sydney Morning Herald and the Wyndham Art Gallery program featuring high profile national and international artists.

Our flagship Gallery is also making its mark on the broader national art scene with Wyndham City's inaugural Wyndham Art Prize. Some of Australia's finest artists competed for a generous suite of prizes including the first prize of \$10,000, the People Choice Award of \$2,000 as well Deakin University's bursaries for people undertaking a PhD, \$4,000 and a Masters \$2,000.

The Wyndham Art Prize exhibition brings the attention of Melbourne's contemporary art world to Werribee and paves the way for an annual event of national significance.

Come down and see some extraordinary artwork including sculpture, painting, photography and video, and place your vote for the \$2000 People's Choice award sponsored by Wyndham City. The award will be announced on 8 July at the opening of our next exhibition titled WAR.

The Wyndham Art Prize is on at Wyndham Art Gallery located in the Wyndham Cultural Centre at 177 Watton St Werribee.

The Mums & Bubs Movie sessions at the Wyndham Cultural Centre, Werribee was launched on Friday 24 April.

Mums & Bubs Movies is the perfect place to meet friends, enjoy a complimentary morning tea and relax with some of great movies.

'My Year Without Sex' will be screening on Friday 29 May and 'The Grand Budapest Hotel' on Friday 26 June. All movies start at 11am with morning tea from 10am. Cost is \$10 and children under 5 are FREE.
