Why We Have A Register?

This program is designed to make you, a Wyndham Senior Citizen living in your own home, feel safer. It aims to give you, your relatives and friends, peace of mind, knowing that the Police are concerned for your welfare.

Surveys have shown that older people are far less likely than younger people to be victims of serious crime. However many elderly people are unduly fearful of such crime and this fear can have an adverse effect on their quality of life. The Wyndham Seniors' Register aims to minimise this fear.

How Do I Join?

If you are a senior citizen (65 years or over) residing in Wyndham, please complete the application form and return it to:

Werribee Police Station
131 Princes Hwy Werribee 3030

or

Wyndham North Police Station
610 Sayers Rd, Tarneit 3029

The service we provide to you is completely free of charge.

Please do not hesitate to call us on 9742 9497 if you have any questions.

What Happens After I Join

Your details will be entered on a confidential computer database at the Wyndham Nth Police Station and you will be contacted regularly by phone to check on your welfare. Your records will not be made available to any other person or organisation except Police, Ambulance, or Fire Brigade, in the event of an emergency situation.

Identity Card

Each person on the Wyndham Seniors' Register is issued an identity card. The purpose of the card (business card size) is to provide valuable information to emergency services in the event that an emergency occurs whilst you are away from home. Please carry the card with you at all times.

Emergency Situations

In emergency situations (i.e. heatwaves), the register will also be utilised to make contact with participants (outside the regular scheduled calls) to offer reassurance and advice.
