DIRECTOR CORPORATE SERVICES -
STEVEN LAMBERT**CONSIDERATION OF SUBMISSIONS REGARDING COUNCIL'S PROPOSED
INTEGRATED PLAN & BUDGET 2016/17 (cont'd)****1. Background**

Council released the Proposed Integrated Annual Plan & Budget 2016/17 for public comment at its Ordinary Meeting of council held on 26 April 2016.

The community was invited to make submissions pursuant to Section 146 and 223 of the Local Government Act 1989. The public submission process was outlined during the meeting.

2. Discussion

A copy of each submission is provided in the attachment.

Submissions were received from:

1. Ratepayers Werribee South – Pedestrian Crossing at O'Connors Rd, Werribee South
2. Ratepayers Werribee South – Nolan Grove to Beach Rd pedestrian/bicycle path reconstruction to Wyndham City Council Standard
3. Don Lee – Works to rejuvenate the Symons Avenue Reserve, Hoppers Crossing

A commendation was received from Bicycle Network acknowledging the amount of bicycle related spending proposed in the draft budget.

3. Community Consultation

The proposed Integrated Annual Plan & Budget 2016/17 was advertised on 27 April 2016 in the newspapers for public comment and submissions. The document was also made available for inspection:

- On Council's website: www.wyndham.vic.gov.au
- Municipal Offices, Civic Centre
- Libraries and Community Centres throughout Wyndham.

4. Communication Strategy

Council will formally notify those persons who have made a submission of the decisions relating to their requests.

BEACH RD—PEDESTRIAN CROSSING AT O'CONNORS RD**

Ratepayers Werribee South is a local group which advocates for the community in the Werribee South area of Iramoo Ward . Our most recent meeting was attended by Cr Heather Marcus who advised us to submit pre-budget proposals for Council consideration.

Following the recent construction of a footpath on the north side of Beach Rd between Finch Rd and O'Connors Rd a pedestrian crossing was placed where it does not link with any facility on either side.

We feel that this crossing should have been placed at the off- branch from the foreshore footpath connecting with the off-branch from the new footpath near O'Connors Rd.

This location is more appropriate as there is convenient access to the bus stop, public toilets and the "Ängler's Anchorage" shop.

We propose that a new pedestrian crossing be placed at this location.

We are aware of current budgetary constraints but Council's favourable consideration of this item for inclusion in the coming budget would be appreciated.

Please see plan and estimate following.

NORMAN-NOLAN ACCESS FOOTPATH TO BEACH RD**

Ratepayers Werribee South is a local group which advocates for the community in the Werribee South area of Iramoo Ward . Our most recent meeting was attended by Cr Heather Marcus who advised us to submit pre-budget proposals for Council consideration.

In the Werribee South residential community, a full construction of a footpath in the right of way between Nos. 1 and 3 Beach Rd has become urgent.

Several residents are elderly and/or disabled and require adequate access to the bus stop opposite No.5 Beach Rd.

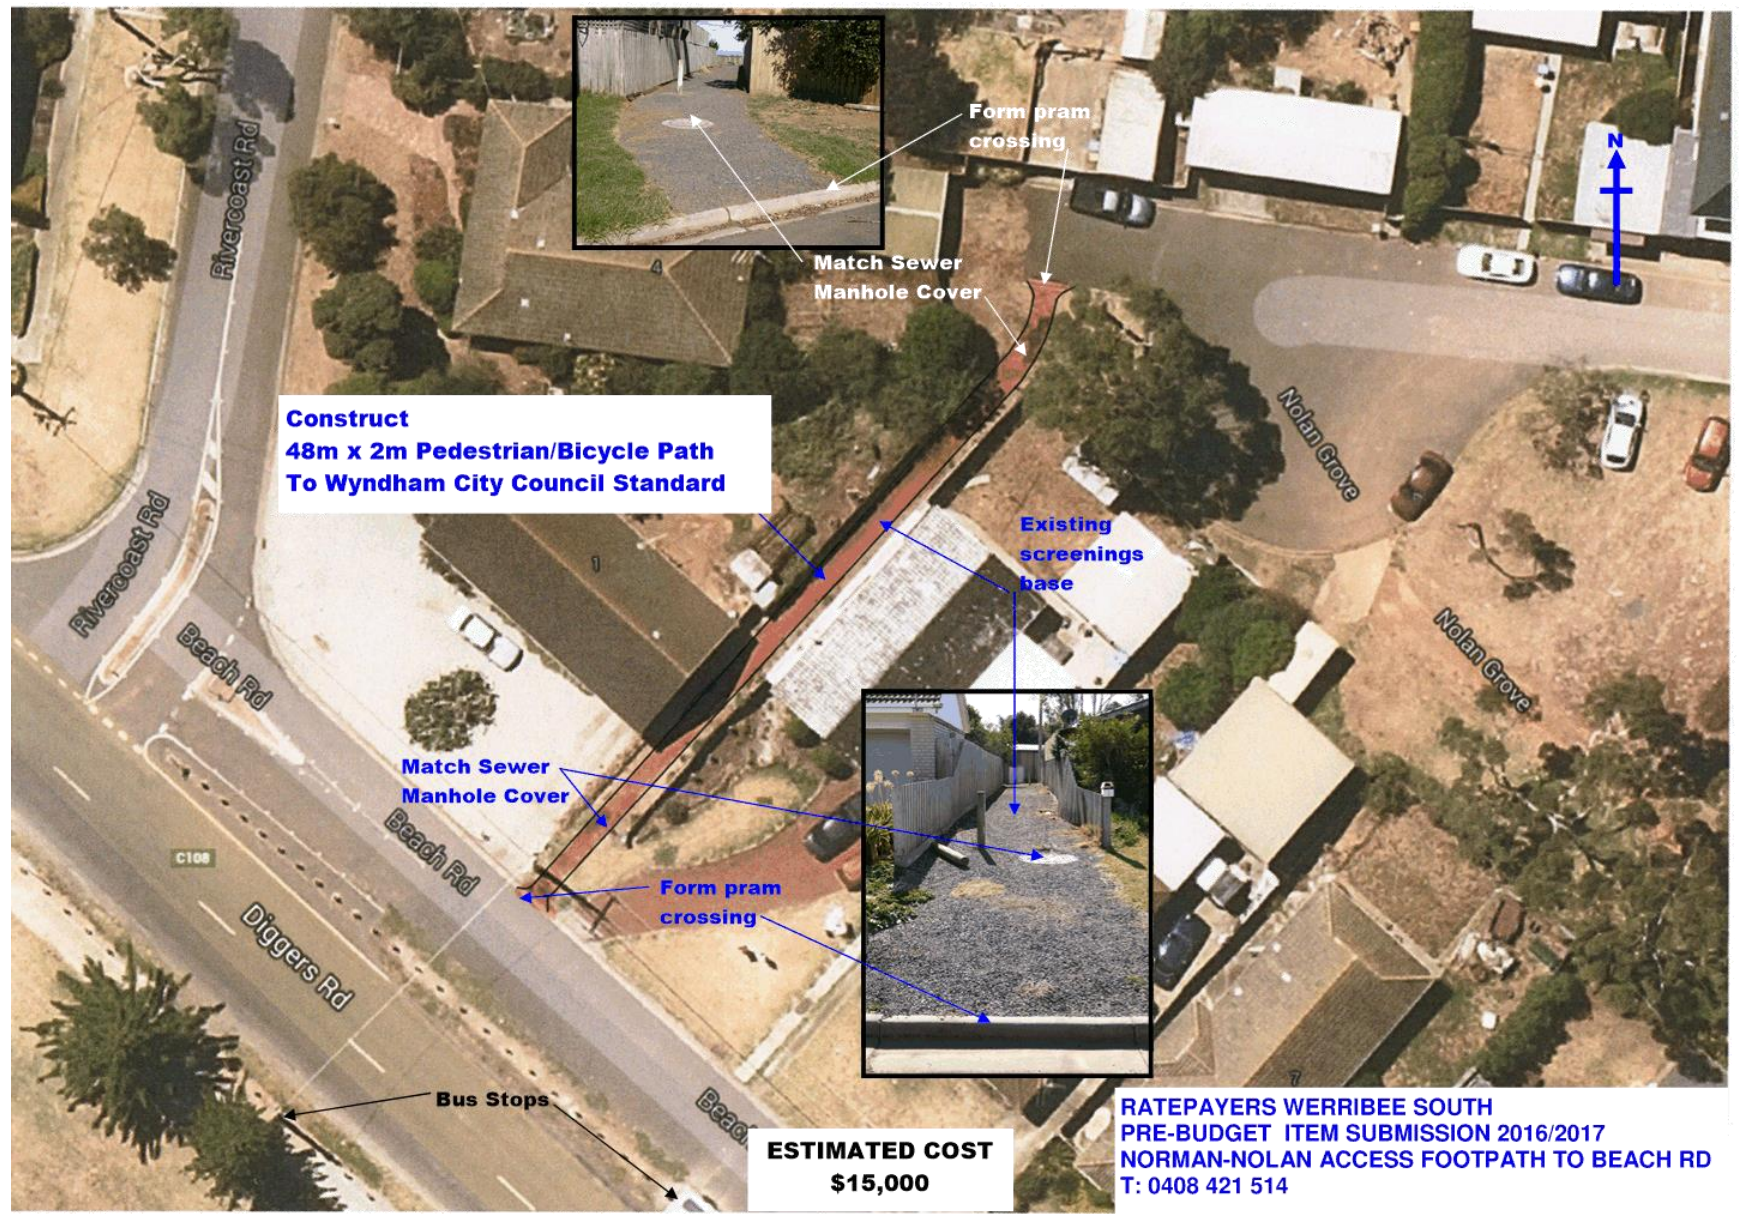

The laneway is also used by schoolchildren accessing the school bus on the opposite side of Diggers Rd.

The existing surface of loose rock screenings is difficult to negotiate with a wheelchair, wheeled frame or pram/pusher and there are no ramps(pram crossings) over the kerbs at either end.

We propose a 2m wide concrete shared pedestrian/bicycle path, as it is used by cyclists to connect with the shared track on the south side of Diggers Rd.

We are aware of current budgetary constraints but Council's favourable consideration of this item for inclusion in the coming budget would be appreciated.

Please see plan and estimate following.

REQUEST FOR PLAY PARK IMPROVEMENTS TO SYMONS RESERVE

I am writing to you as a local resident of Hoppers Crossing to make the request that Council provide for a capital improvement allocation in the new budget for the Symons Reserve, situated between Symons and Cation Avenues in Hoppers Crossing.

This park was originally fitted out with trees and some minimal play equipment at least fifteen years ago. The current play area and equipment is now really in need of some rejuvenation and it would be very much appreciated if some new play equipment could also be added.

As far as I can ascertain there are still many families with children living within this area of Hoppers Crossing and who would greatly benefit from the improved quality of life that such an upgrade to this reserve would bring about.

Thanking you

Yours faithfully

Don Lee

Re: Draft Council Budget 2016/17

Wyndham,

In response to your call for submissions on the draft of the 2016-2017 Budget, Bicycle Network makes the following comments.

We, with help from our members, are assessing bicycle expenditure by local councils across Australia. This will generate a 'BiXE' (Bicycle Expenditure Index) rating – a figure which shows the amount of bicycle related spending per resident.

We have calculated the BiXE for Wyndham's draft 2016-2017 budget as \$5.24 per person, which is above the threshold of \$5 per person per year.

Bicycle Network commends your commitment to cycling, with special mention of the bicycle bridge over the Princes Freeway.

Regards,
