I love walking through the zoo specifically the Australian journey, in winter, it's quiet and very peaceful to wander and soak up the winter sun and sounds of nature.

## To Somewhere

Take an adventure of discovery – a self-paced road trip taking in our best-loved attractions, eye-catching scenery and simple pleasures. Your journey begins within 30 minutes of Melbourne.

Here are the highlights...

**Watton Street Werribee**  
 Every imaginable cuisine on offer: Indian, Thai, Italian and more. Nibble on an authentic French pastry or devour a burger.

**Werribee Open Range Zoo**  
 Wild adventure, exotic creatures and an army of behind-the-scenes humans.

**Werribee Park Mansion**  
 Wander through a grand mansion and glorious formal gardens with stories of another time.

**Victoria State Rose Garden**  
 Where 5,000 rose bushes bloom in a riot of colour and fragrance.

**Shadowfax Winery**  
 Lunch then lawn-laze with a glass of award-winning vino.

**K Road Cliffs**  
 Picnic and take in wicked views of colour-morphing cliffs rising from Werribee River.

**RAAF Museum**  
 Tread sacred ground at the birthplace of Aussie military aviation. Don't miss the interactive flying display!

**Point Cook Coastal Park**  
 Chance upon native birdlife or a hidden beach beyond the playground and BBO.

What I enjoy about Werribee is the feel of the town. We can be at Pacific Werribee with all the shops and feel like we're in a large city, wander into Watton Street for the cafes and shops and we're in a country town. Driving to Werribee South, we're in the country and then we're at the beach! We have it all.

*surprising*

I enjoy a peaceful walk along the path of Werribee South Foreshore and looking out over the ever changing bay.

Di - Visitor Services

I love a walk around the rose garden followed by the mansion garden and then a drive to the red cliffs on K Road. Then it's Watton Street for a cuppa and lemon meringue at Mondells Patisserie.
