Eligibility Check

Your application will be checked according to the general eligibility requirements.

Decision-making

Assessment is made at arm's length from the WCCF Board and is a fundamental tenet of the Cultural Foundation's structure and decision-making process.

The Community Cultural Advisory Panel (CCAP) appointed by the WCCF assess applications and then make a recommendation to the Wyndham Community Cultural Foundation Board for final approval.

The CCAP is comprised of community members, who by virtue of their knowledge and experience, are equipped to make a fair and informed assessment of artistic work and/or applications. The CCAP is chaired by a member of the WCCF Board and is assisted by an Arts Development Officer of Wyndham City Council in a non-voting capacity.

Assessment of your application

The CCAP will assess your application against the published selection criteria. Assessment of applications and decisions are made by the CCAP primarily on the basis of the information supplied by you in your application and your support material.

The CCAP may also take into account information from other sources, such as:

- Their attendance at performances and other events;
- Reports from members of appropriate peer groups, who may be asked to provide formal assessments of designated works;
- Reviews, videos and recordings, referee reports and other material;
- Any previous Wyndham Community Cultural Foundation Project Acquittal reports and performance agreements you may have had.

The CCAP may seek further information from you - including inviting you to attend an interview or presentation.

The success of your application will rest ultimately on the merits of your proposal against published criteria and in competition with all the other applications considered for support

Please note: the board's decision will be final and cannot be challenged.

WCCF and its CCAP will abide by all of the appropriate standards relating to conflict, to the need to recognise all relevant legislation and to all business principles that apply to the conduct of the Foundation.

Notification of Decisions

A formal letter notifying you of the outcome of your application will be posted to you.

Please inform us promptly of any change of address or contact details.

No guarantee of ongoing support

Approval of any support to an individual, group or organisation does not commit the Wyndham Community Cultural Foundation Ltd or its Allocations Committee to any future or ongoing support of that individual, group or organisation.

Support will be provided to those who best meet the selection criteria within the amount of funds available from the Foundations yearly distribution budget
