# Mayor's Message

In August we had a delegation of students visit with chaperones from the City of Chiryu – our Japanese Sister City.

It was an honour to host these teenagers at the Civic Centre for the day, where we shared stories, exchanged gifts, and enjoyed lunch. We even took them on a tour of the building, and visited the Japanese gardens we have on site.

We are proud of the strong relationship we've had with Chiryu since 2000, and look forward to it continuing well into the future. The purpose of this relationship is to promote cultural and educational exchange between our two cities.

Chiryu is located on the island of Honshu, the largest of the three islands of Japan. It is within Mikawa plain, just a 25 minute train ride from the nearby Nagoya City.

I have many fond memories of visiting their great city many years ago, visiting temples, enjoying their food, and understanding their culture. We also exchanged many ideas with their Council on how local government works, sharing thoughts and ideas.

Wyndham City is also a Sister City to Costa Mesa in California, and we look forward to hosting their students in the future. This Sister City relationship has been in place since 1996.

Wyndham City Mayor, Cr Henry Barlow.

# CONSTRUCTION kicks off!

It's no secret that this year's Council Budget included a whopping \$133.11 million invested in capital works, including \$35 million on local roads.

Works are and well and truly underway across the City, with something on offer for everybody in Wyndham.

## Breath of fresh air for Community Centre

Works are underway on the upgrade to the Point Cook Community Learning Centre. New entrances are in place and will be operational throughout the build. The final \$4.7 million project will allow for a larger range of Council services to be provided locally, have more space for community learning activities – including meetings, programs, and study, feature better outdoor spaces, and have a bigger and better library.

**Expected completion: mid 2018**

## Get your skates on in Tarneit!

Works are on schedule for this exciting project, with the skate park area under construction and landscape works kicking off. Construction has also begun on the sheltered structures for barbecue areas. The final project will be an exciting community space featuring a regional level skate, BMX and scooter park along with recreational spaces for the whole community to enjoy.

**Expected completion: November 2017**

## New playground on its way

This exciting \$3.5 million Wyndham City project has wrapped up, with 1.3 hectare park featuring a range of facilities for people of all ages. Netball and basketball courts, a playground, shelter and barbecue areas, and two new bridges are among the additions.

**Expected completion: Late 2017**

## Road goes from two to four

This busy Wyndham City road is doubling in size! Bulk earthworks are continuing and pavement construction is underway. The final \$6 million project will see the number of lanes going from two to four between Hogans Road and Caraleena Drive, improving traffic flows and cutting travel times. The works will also include the construction of a new Wetlands Park – at which earthworks have kicked off.

**Expected completion: February 2018**

## Sporting hub nears completion

The steel frame for the first floor of the pavilion has been erected, and the walls and roof works are underway. The new and improved sporting hub will feature a new state of the art pavilion, facilities for women's football, sports based training space, community spaces and more. Council proudly partnered with the State and Federal Governments, Werribee Football Club, AFL and AFL Victoria on this sensational \$11.8 million project.

**Expected completion: December 2018**

## BUSINESS OF THE YEAR

## Local businesses celebrated

A business that has been in town for more than 50 years has been named the Wyndham Business of the Year.

The Hopper Motor Group was named winner at the 23rd Annual Wyndham Business Awards Gala Presentation on the 25th August. The business began in 1962 when Barry Hopper opened Westland Toyota in Werribee. It grew over the years – and today – on Old Geelong Road in Hoppers Crossing, employs more than 140 people.

The business makes a number of contributions to the community, investing in local sporting clubs, schools and community-based programs.

## DEDICATED VOLUNTEER NAMED CITIZEN OF THE YEAR

Daphne Womersley has been named Wyndham's 2017 Citizen of the Year!

The Werribee resident has spent the past 60 years of her life volunteering in the community through a number of different organisations. She is a leader with the Werribee Guides, a member and supporter of the Red Cross for the past 35 years, and is the Treasurer of the Country Women's Association of Victoria Werribee branch. Daphne has also been a volunteer with St John Ambulance for 47 years, and continues to volunteer to this day.

[www.wyndham.vic.gov.au/cvawards](http://www.wyndham.vic.gov.au/cvawards)

## OTHER AWARD WINNERS INCLUDE:

### JOHN CAMPBELL

#### COMMUNITY HEALTH AND WELLBEING AWARD

John's commitment is all about making sure that people are given better opportunities. John organises weekly BBQs for school students, distributes food to the homeless, and even grows vegetables to share with the community. He also repairs items like laptops, bikes and scooters, which are then shared to people in need locally and overseas.

### WISHHASAD SOMAWANSA

#### YOUNG VOLUNTEER OF THE YEAR

At only 22 years of age, Wishhasad has already made an outstanding contribution to the community through his work with the SES. As Deputy Controller of Operations, he has an innate ability to calm people in times of distress and despair. He understands the value and importance of this volunteer-based organisation, and regularly spends his weekends maintaining the trucks, training new volunteers and being on call for emergencies.

### GEOFF GOOK

#### SPORT AND RECREATION AWARD

Geoff's passion and advocacy for cricket has steered the local community to form additional local clubs. Geoff understands the value of sports participation to building stronger communities. He encourages newly arrived migrants to engage with cricket and works hard to build an inclusive environment for all.

### JEUSS POLANDAYA

#### ENVIRONMENT AND SUSTAINABILITY AWARD

After migrating to Australia from the Philippines seven years ago, Jeuss has worked tirelessly to improve the local environment. He has coordinated teams of volunteers including Filipino migrants to clean up local waterways and plant thousands of trees to help protect our environment now and into the future.

### SHIRLEY CAMERON

#### CULTURE, ARTS AND TOURISM AWARD

A lover of birds and roses, Shirley has volunteered with the State Rose Garden for more than 25 years, and also volunteers with Birds Australia. Shirley also volunteers at the Werribee Visitor Information Centre, encouraging pride in locals and sharing her wealth of local knowledge with visitors.

### WYNDHAM ANZAC PROJECT VOLUNTEERS

#### COMMUNITY GROUP AWARD

This group of dedicated volunteers are committed to ensuring the sacrifices made by over 350 soldiers who served in World War 1 from the Wyndham area are never forgotten. Based at the Plaza Library, these volunteers meticulously research and record the biographies of our ANZAC soldiers and are creating a historical reference, educational tool and social service to ensure their stories live on in perpetuity.

# JOB GROWTH BOOMING IN WYNDHAM

Population isn't the only thing growing at a rapid rate in Wyndham.

The National Growth Areas Alliance (NGAA) has revealed that Wyndham has experienced the highest rate of growth of any municipality in Australia in the five years to 2016.

The research, undertaken by population demographers forecast.id on behalf of the NGAA, analysed the number of jobs created across Australia from 2011 to 2016. Wyndham topped the charts, with 20,623 jobs created – jumping from 56,619 to

77,242 – a growth rate of 36.4 per cent. The figures are tipped to continue to soar, with a number of new businesses popping up around town.

Six industrial developments at the Drystone Industrial Estate have added 1200 new jobs, Target Australia is relocating its national headquarters to Williams Landing, and a number of small businesses are being set up in Wyndham.

A brand new St Vincent's Private Hospital in Werribee will deliver 350 jobs, and the existing Mercy Hospital is being expanded, creating more employment in the health sector.

# Councillor portfolios a focussed approach

In each edition of Wyndham News, we've been giving you an insight into Wyndham City's 12 Councillor Portfolios. In this edition we will introduce you to two more.

Iramoo Ward's Cr Peter Maynard works hard in the sports development space, working hard to plan for the future.

Meanwhile, Harrison Ward's Cr Tony Hooper is dedicated to arts, culture and heritage across Wyndham.

## Cr Peter Maynard Sports Development

This portfolio helps build stronger, healthier, happier and safer communities. The more we develop sport, be it through new facilities, supporting clubs, or encouraging individual participation, the stronger and healthier our community will become.

Cr Maynard said recent data that came out of the Draft Sports Strategy found that 77 per cent of Wyndham residents are involved in sport and active recreation in some way – demonstrating that sport was an important part of the community.

“In Wyndham we have some of the best sporting facilities – be it AquaPulse, Eagle Stadium, or one of our many reserves.”

“It's a busy time in the sports space at the moment, with works underway across the City. The redevelopment of Chirside Park, the construction of the new Mainview reserve, the construction of the new Williams Landing sporting reserve, and the re-opening of the Lawrie Emmins Moto X Track are just some of the many exciting projects.”

“On top of this, we've just developed a draft sports strategy which outlines how many facilities we need, and where they should be located to get the best outcome for the community.”

## Cr Tony Hooper Arts, Culture and Heritage

This portfolio embraces the local arts community to support and encourage creativity. Public art projects, community art education and skill development are just some of the many areas covered by this portfolio. It also aims to conserve and celebrate local heritage.

Cr Hooper said Wyndham's art, culture and rich heritage are all things to be proud of.

“From the movies that continue to be filmed out our way, to the impact the State Research Farm had in developing Australian farming practices as well as being the birthplace of the RAAF ... there is plenty to be proud of,” Cr Hooper said.

“It's critical that there are opportunities for the broad community to enjoy as well as art that is more avant-garde, to allow our city to share what makes Wyndham such a great place to call home.”

Cr Hooper said the portfolio would be busy over this Council term.

“We are currently working on our Public Art Strategy for the current council term, which will shape how art (from outdoor sculpture, live performances and pop ups, and other experiences) will happen in Wyndham.”

## Awards afloat at AquaPulse

It's official: Wyndham City Council's AquaPulse is one of the best aquatic facilities in the country.

The premier facility was awarded the 'Watch Around Water Facility of the Year' in the Aquatics & Recreation Victoria Awards earlier this year. In August, AquaPulse scored another award, winning top honours with the Best Solutions to an Identified Aquatic Health and Safety Issue Award in the Royal Life Saving Society's National Aquatic Industry Safety Awards.

AquaPulse features a 25-metre learn to swim pool, a 50-metre pool, spa and warm-water exercise pools, two waterslides – one amongst the largest in the state – an aquatic playground, a crèche and a steam and sauna room.

## PARK WITH EASE IN WERRIBEE

A brand new car park is being built in the Werribee City Centre.

The former Werribee Toyota site and the land at the rear of the Bridge Hotel will soon be transformed into a ground level car park with 180 parking spaces.

Dubbed the West End Car Park, construction is expected to begin in October, and be completed by December 2017.

The West End Car Park will replace public parking while the new commercial and residential developments are constructed in the City Centre.

The developments are planned to be constructed in stages on the three car parks currently located across the City Centre.

The developments will include large multistorey public parking facilities which will significantly increase public parking in the Werribee City Centre.

## Choose to Reuse!

Do you have any household items that are still in good condition, but just collecting dust?

Make some money off them at the annual Garage Sale Trail in Wyndham.

For shoppers, the Garage Sale Trail is a great way to find a bargain, buy something unique, and shop sustainably.

This is the fourth year that Wyndham City has taken part in the Trail, with more than 6000 residents taking part and almost 30,000 items up for sale.

It's free to register your garage sale, and free to attend on the weekend 21 and 22 of October.

To register: [www.garagesaletrail.com.au](http://www.garagesaletrail.com.au)

## Tradies get tidy

Two major property developers have joined forces with Wyndham City Council to cut litter out from building sites.

In a first for local government in Victoria, the agreement will see the developers establishing “clean sites”, agreeing to contain rubbish, undertake regular litter sweeps and dispose of their lunch rubbish properly.

Wolfdene – the developer of the Saratoga estate in Point Cook, and Lendlease, the developer of the Harpley estate in Wyndham Vale, are both taking part in the trial.

The trial, funded by Sustainability Victoria’s Litter Innovation Fund, will run until the end of October with the results set to be evaluated in November.

[www.wyndham.vic.gov.au](http://www.wyndham.vic.gov.au)

## Get active!

Wyndham City is encouraging students and their families to ditch the car and travel to school in a more active way!

Now in its third year, the Wyndham Active Travel to School Program has been rolled out in 14 schools across the municipality.

Council works with schools to develop school travel plans, outlining ways to support the school community to be physically active on their journey to school.

Participating schools have seen an increase in the number of students getting to school on foot, bike, skateboard or scooter – with some as high as 80 per cent. Bellbridge Primary School has achieved the highest active travel rate for two consecutive terms in 2016.

[www.wyndham.vic.gov.au](http://www.wyndham.vic.gov.au)

## Snake season slithers in

Summer’s coming, which means the snakes are coming too.

To avoid finding a snake slithering through your yard, there are a number of things you can do!

Use rodent repellent or bait to keep mice and rats away to reduce the likelihood of a snake slithering in to find some food. Also make sure food scraps are disposed of carefully so rodents don’t find their way in.

Remove any piles of wood or bricks lying around, that could be a hiding place for snakes.

Keep your garden neat and tidy, keep your grass and shrubbery low, and leaf litter to a minimum.

If you find a snake in your yard or home remove any pets and watch the snake from a safe distance. Do not approach it.

Wyndham City offers a free snake removal service.

## No place like home

Families living with Autism Spectrum in the western suburbs are benefiting from a new respite house in Werribee.

Operated by Autism Spectrum Australia (Aspect), Wyndham City donated the land for the new facility.

Dubbed The Lifestyle Respite Program, residents of Wyndham, Melton and Brimbank aged between 15 and 25 living with Autism Spectrum are invited to stay at the house. Five people can stay at one time.

School holiday activities, sensory spaces, herb gardens, and a trampoline are among the other features at the home.

Statistics suggest that one in every 100 Australians is living on the Spectrum.

## Recycle right!

Did you know that if you put items that you're recycling in plastic bags, it will end up in landfill?

You might think you're doing the right thing, holding your recycling together, but it will immediately be rejected.

Recycling facilities aren't built to deal with softer items like plastic bags.

Many supermarkets around Wyndham have bins to dispose of your plastic bags, which are then recycled.

Or, you could go green and use a reusable bag each time!

The 13 to the 19 of November 2017 is National Recycling Week.
