Visit [Business Training](#) for details.

### **Get Connected Online**

Join [Business Matters in Wyndham LinkedIn Group](#) and share contact details and build relationships with other Wyndham City business professionals.

Wyndham City's Economic Growth team established the LinkedIn Group to encourage communication with the local business community.

### **Stay Smart Online - Tips from the ATO**

Keeping your information safe is crucial to protecting your business. With an ever-increasing amount of information stored online it's important that you take precautions.

Check out [nine essential tips](#) from the Australian Taxation Office covering passwords, USBs, social media and more.

### **Support for Indigenous Small Business**

The Australian Taxation Office offers a range of free services to support Indigenous small business.

Visit the [ATO website](#) or phone the Indigenous Hotline on 13 10 30.
