Plan Your Journey
This map includes important information to help you plan your travel during the morning of Tuesday 13 February. On foot? All footpaths and intersections will be open as usual for pedestrians.

Rolling Temporary Road Closures
These roads will be impacted for 20-30 minutes as the Baton passes through the area. During this 20-30 minute closure cars parked in the area will need to remain parked. As soon as the Baton passes through, each road will open again to vehicle access so you can continue on your way.

1. Wedge Street area 9:10am – 9:30am
2. College Road area 9:20am – 9:40am
3. Duncans Road area 9:30am – 10:00am
4. Princes Highway area 9:50am – 10:10am
5. Watton Street area 5:00am – 10.30am
6. Princes Highway/Synnot Street intersection 10:10am – 10:30am
7. Chirnside Park area 10:00am – 11.10am

Residential Streets
Do you live on one of the streets along the route? We recommend leaving before/after the 20-30 minute rolling road closure to avoid delays. Please note that we are working closely with emergency services on this event to ensure that emergency services can get to where they need to go.

School Drop Off
Dropping the kids off at Werribee Primary School, Werribee Secondary School, Corpus Christi or Mackillop? We recommend arriving earlier than you might normally to ensure that you are your way before College Road closes at 9.20am.

Watton Street Road Closures
There are no changes to pedestrian access along Watton St. Victoria Police have advised that for safety reasons the following closures will be in place on Watton Street:

Partial Road Closures 5:00am – 9:30am
- From 5.00am cars will not be permitted to drive or park along Watton St.
- During this time, you can still cross over Watton St using Werribee St, Wedge St, Bridge St, Greaves St, Cherry St and Duncans Rd.
- Expecting a delivery? Official business delivery vehicles will be able to access Watton St until 9:00am with traffic wardens in place to help you.

Full Road Closure 9:30am – 10:30am
- From 9:30am Watton St and the intersections of Werribee St, Wedge St, Bridge St, Greaves St, Cherry St and Duncans Rd will be fully closed to vehicles.
- Deliveries will need to wait until the road re-opens after the baton has passed through at 10:30am.
- Parked cars will also need to remain parked until 10:30am – so take care to exit Station Place by 9:30am to avoid delays.

Where to Park?
- Cherry St Car Park, West End Car Park and the Coles Car Park are open and parking is also available on side streets.
- Woolworths and Bunnings Car Parks will remain open and accessible at all times – enter from Railway Av, north of the railway line.
DETOUR OPTIONS - Need to cross the train line or looking to keep clear of the area during the morning? This detour route will keep you clear of all rolling road closures.
