

## Growing Volunteering Expo

It was great to see hundreds of residents attend the Growing Volunteering Expo held at Tarneit Community and Learning Centre in March.

The Expo, organised by Volunteer West in partnership with Wyndham City, gave residents the opportunity to learn more about the different volunteering opportunities available and how they can become a volunteer here in Wyndham.

Volunteers assist in providing some of the essential services needed by our residents. If you are interested in becoming a volunteer, making a difference and helping make Wyndham even better, visit [www.wyndham.vic.gov.au/volunteering](http://www.wyndham.vic.gov.au/volunteering)
