 - (b) The Chairperson must then call for the motion or amendment to be seconded, unless it is a point of order or a formal motion, by any Councillor other than the mover, and if the motion or amendment is not seconded, it lapses. The mover must then speak immediately to the motion or amendment (whichever motion is before the Chairperson) or with the consent of the Chairperson, defer speaking to it until later in the debate.
 - (c) After the motion or amendment has been moved and seconded, and the mover of the motion or amendment has spoken, the Chairperson must ask if the motion is opposed and if there is no opposition, the Chairperson may ask if any Councillor wishes to add anything further to the debate prior to putting the motion to the vote without any further debate.
 - (d) If the motion is opposed, the Chairperson must first ask the Councillor who has indicated opposition to the motion to speak, then ask for a Councillor in favour of the motion to speak and continue this process of alternating speakers for and against the motion until there are no more speakers.
 - (e) The Chairperson will then ask whether any other Councillor who has not spoken for or against the motion wishes to add anything further to the debate. If no other Councillor wishes to speak, other than the mover of the motion who may exercise or waive their right of reply immediately before the vote is taken, the Chairperson will put the motion to the vote.

- (2) The Chairperson may undertake a recount of the votes cast as often as necessary to be satisfied of the result of the vote on a matter.
- (3) Once a motion or amendment is seconded it cannot be withdrawn or amended, except with the leave of the Chairperson and the consent of both the mover and seconder.

- 
- (4) If the mover or seconder of a motion or an amendment indicates that he or she wishes to withdraw from moving or seconding the motion or amendment, the Chairperson may seek another mover or seconder (as the case requires), but if no Councillor indicates his or her willingness to be the substitute mover or seconder, the motion lapses.
 - (5) Apart from the mover's right of reply, a Councillor may only speak once on the motion and once on any amendment to the motion.

- A petition is a written request (submitted in hard copy or via the Council's e-petition process) from members of the public for information or action in relation to a particular matter, from more than one person and includes full name and full address of the individual signatories. The person who initiates the e-petition will have their name only included on the Council website. Those who sign an e-petition will have their initials and suburb listed as a signatory to the petition
- All petitions are to be tabled at a Council Meeting
- If a petition with notice is addressed to a specific Councillor, that Councillor may read the petition out at a Council Meeting without debate, otherwise the CEO will read out all other petitions
- Where a petition has been signed by less than 15 people, it is noted at the Council Meeting, and then forwarded by the CEO to the appropriate member of Council staff for action and a response
- A copy of the Officer response to petitions signed by less than 15 people will be provided to Councillors no later than 1 business day after the response has been sent to petitioners
- If a petition is signed by more than 15 people, it is noted at a Council Meeting and unless a response can be provided by the CEO at that time, the petition is forwarded by the CEO to the appropriate Director for action. A report is then presented to a subsequent Council Meeting, including Council's response
- Council staff will deal with the petition organiser (or the first named signatory) as appropriate to clarify any of the issues raised in the petition
- All petitions presented to Council are then subject to a Quarterly Ordinary Council Meeting Report, updating Council on the actions of Council staff, and
- In accordance with Council's commitment to privacy, only the issues raised in the petition, along with the number of signatories, will be presented to Council and included in the Agenda and Minutes. - Council is required to consider each individual matter on its planning merits.

A written petition will be presented at a Council Meeting only if it meets all of the following requirements:

- Although initial copies of petitions can be conveyed by email or facsimile, the original document must be sighted and received by Council in a hardcopy format
- The petition must be legible and in permanent writing (i.e. no pencil)
- The petition must be in the English language, or accompanied by a

translation, which will need to be certified by the CEO who will present it to be correct

- The petition must be addressed to the CEO, the Mayor, or a Councillor, containing a request for action to be taken by Council
- Each page of the petition must repeat the full wording of the petition as contained on the first page of the petition

COUNCILLOR DELEGATES REPORTS

GUIDELINES 2018

These Guidelines operationalise Clause 7 of Council's Meeting Procedure Protocol, specifically:

Delegates Reports

(1) There must be an item on the Agenda for Delegate's Reports where a Councillor appointed to be the Council's representative on external groups or organisations or appointed to advisory committees of the Council may verbally present their Delegate's Report to the Council.

(2) When presenting a Delegate's Report, a Councillor must not speak for longer than 5 minutes unless the agreement of the Chairperson to speak for a longer period of time has been obtained before noon on the day of the Meeting.

(3) A Councillor should include information in the Delegate's Report about changes or developments that the Councillor has become aware of, that could be important or relevant to the Council. The Councillor may table confirmed minutes of the Advisory Committee, group or organisation to support their report.

Council commits to the following Guidelines that will assist with the preparation and presentation of these Delegates Reports:

- The Councillor Delegates Report is to showcase the work of the Committee/group, and the stewardship of the 'Councillor Delegate' – or in the case of Council's Portfolio Committees, the 'Councillor Portfolio Holder'
- The content of a Councillor Delegates Report will be closely linked with the Delegates report which is in the Agenda.
- The content of a Councillor Delegates Report will be discussed between the Councillor Portfolio Holder and the Sponsoring Director prior to the finalisation of the OCM Agenda
- Important questions of clarification may be asked of the Councillor Delegate by another Councillor at the end of their report
- In most cases, the 'catch-all' recommendation at the end of all Councillor Delegates Reports is for "Council to note all Councillor Delegates Reports" as there is no debate on each report
- The Councillor Delegates Report will be provided at the next OCM after the adoption of the Minutes, so that it represents the views of the whole Committee, and
- In balancing the need to provide Councillor Delegates Reports with completing other business of a meeting, Councillors and the Executive will discuss the scheduling of Councillor Delegates Reports a few weeks prior to an OCM. As a rough guide, Councillor Delegates Reports should occur a few times each year.
