

Leisure Networks starting @ Manor Lakes

NEW

Leisure Networks is excited to be partnered with Manor Lakes Community Learning Centre in 2019 to provide a suite of new Capacity Building Programs to the Wyndham community.

These three new programs, aligned with School Terms, are planned to kick off on **1 February 2019**. They are open to anyone who feels that they will benefit from attending and we encourage community members to join in. Manor Lakes CLC will be home to three of our capacity building programs, in conjunction to being a meeting point for weekends away, school holiday programs and social Saturdays.

Leisure Networks is a not-for-profit organisation dedicated to connecting people to their communities. We have been providing support to people in the Barwon region for over 25 years and we have been providing supports under the NDIS since 2013 as we were a part of the trial site based in the Barwon Region. Our Sport, Health and Recreation team has been working within the Wyndham City Council over the past two years, developing and providing opportunities for the community to connect with sporting bodies, assisting sporting clubs to become more inclusive and activating sporting precincts across the region.

Our NDIS services include

- Support Coordination
- Financial Plan Management
- Capacity Building Groups
- Holidays and Weekends Away
- School Leavers Employment Supports (SLES)
- School Holiday Programs
- In-Home Support
- Skill Building Individual Support
- Social and Recreational Groups

Goodbye - Saffron Kitchen

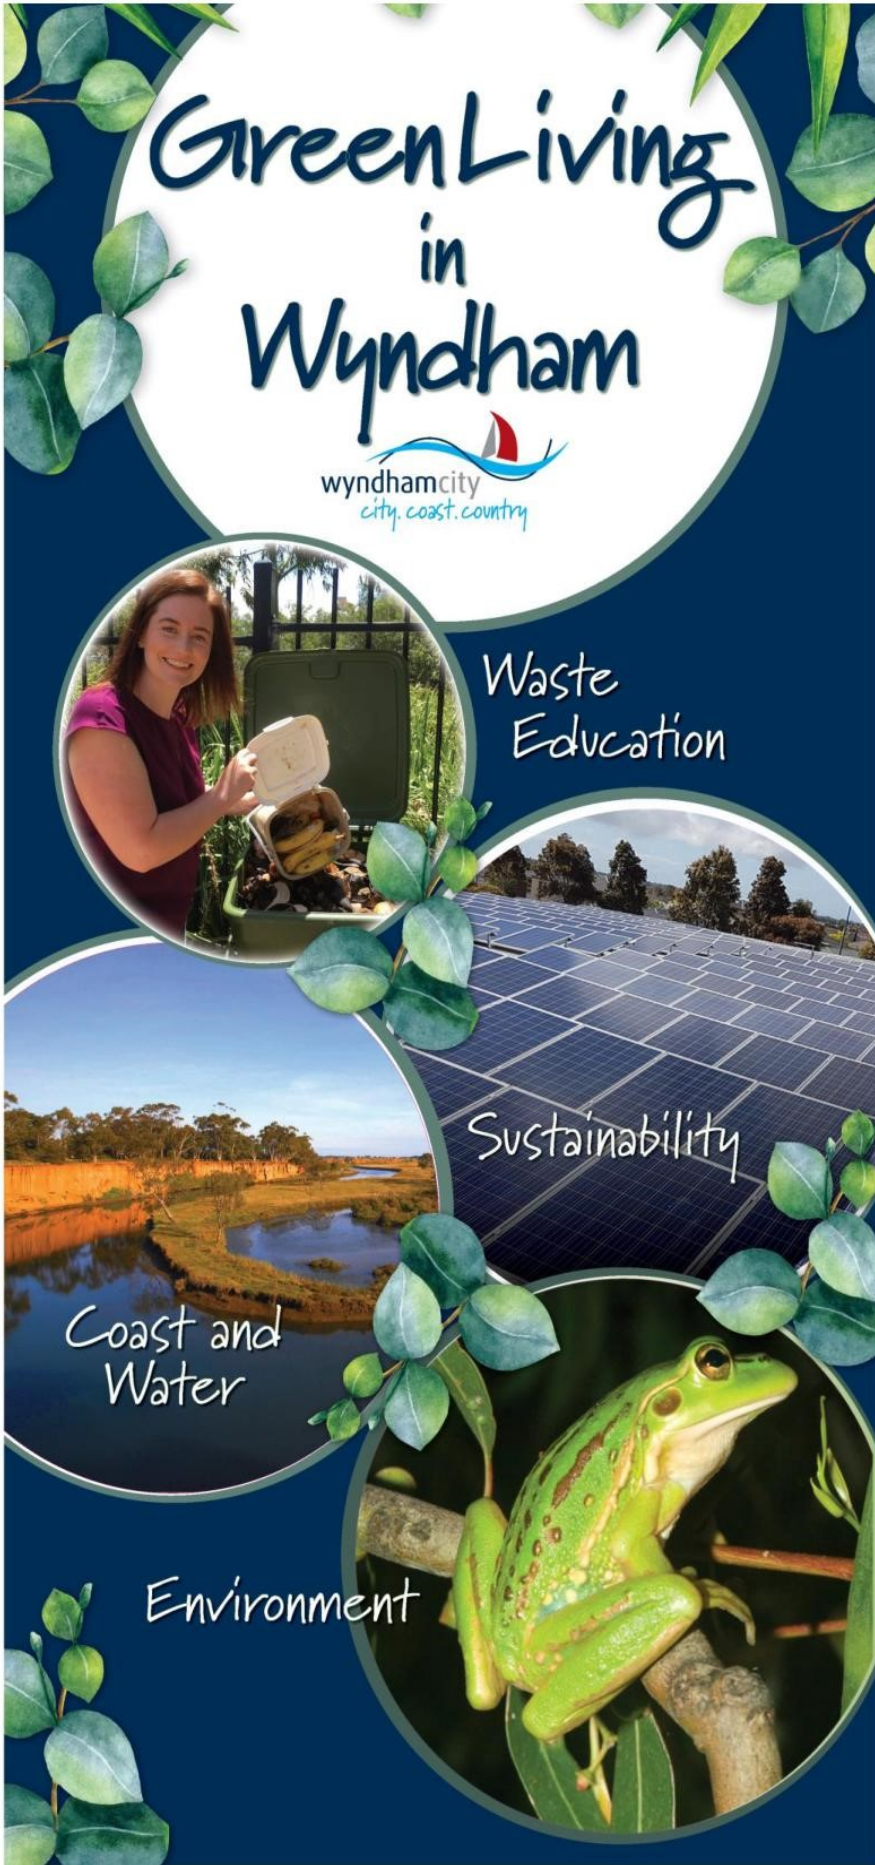

On Wednesday 19th December 2018 Saffron Kitchen served their final coffees and lunches, Saffron Kitchen had been part of team since the centre opened over seven years ago. The closure of Saffron Kitchen at Manor Lakes is to focus on other ventures in the Wyndham Community. The uniqueness of Saffron Kitchen is that it was able to provide volunteer opportunities for local residents to gain valuable experience in the hospitality environment and to improve employment prospects and language skills which in term helps with confidence in seeking job opportunities in the local and broader community. Since its inception in 2008, Saffron Kitchen has provided learning and volunteering opportunities to over 150 local residents, including people with a disability, unemployed, people with mental health issues and people from new and emerging communities.

We would like to thank Saffron Kitchen and their staff and volunteers for their service throughout the years and what a fantastic opportunity it has been for the Manor Lakes Community Learning Centre and the community.

Good Bye.....Saffron Kitchen... 😊
