This Girl Can – Physical Activity for Women

We are pleased to announce Wyndham City Council will be supporting VicHealth’s This Girl Can initiative! This Girl Can is dedicated to encouraging more women to give physical activity a shot, or return to an activity after a break. There will be some great low-cost or free activities right around Wyndham and across Victoria, all designed to inspire women to get active. Whether that’s to try something new, return to a long-lost activity or visit your local activity provider for a friendly catch-up. There’ll be a range of fun and inclusive activities at local gyms, community groups and sports clubs including Zumba, Thai Chi, Pilates, Yoga, Lawn Bowls, Walking Groups and much more throughout May. Activities will be inclusive, non-judgemental and accessible for women of different ages, body shapes and abilities. Get your friends together and give something a go!
