PLEASE NOTE:

1. A Secondary Consent proposal must meet the following conditions:
 - The proposal cannot transform the permit to a use or development that was not previously considered and approved;
 - The proposal cannot approve changes that require a planning permit or which are contrary to any specific condition in the original permit.
2. The description of what is allowed by the permit cannot be altered by Secondary Consent.
3. The permit conditions cannot be varied or deleted by Secondary Consent.
4. There is no provision for public consultation or advertising. As such the Secondary Consent provision is not appropriate where the changes may result in material detriment to the surrounding area.
5. An application for Secondary Consent is not immediately approved, Planning Officers must consider a number of matters including those above.
6. The Responsible Authority reserves the right to not approve the proposed amendment under Secondary Consent if it considers that the amendments contradict any of the above criteria.
7. If it is decided that the changes cannot be approved under Secondary Consent, a Planning Officer will advise you how to apply for a permit amendment or a new permit.
