TARNEIT COMMUNITY LEARNING CENTRE RENOVATION UPDATE

We are pleased to give you a brief update of the redevelopment of Tarneit Community Learning Centre. The isolation and testing of all utility services has been completed and temporary kinder and library entrances have been successfully installed.

The Internal demolition works have been completed , below slab services and excavation of pad footings have been completed as well. We have the team working tirelessly to meet their goal and they have also managed to complete the slab and footing concrete pours.

Excavation of landscape areas to the north and east have been completed. The steel fabrication is underway and installation is proceeding as planned.

The construction is running to schedule at this stage. We have a copy of the plans available in the Tarneit Library and recommend that you have a chat with one of our customer service staff about your aspirations for Tarneit Community Learning Centre.

RIVERDALE COMMUNITY CENTRE, COMING TO TARNEIT IN 2021

The Riverdale Community Centre is scheduled to open in Tarneit West in 2021, providing the local Tarneit West community with access to a wide range of community services for all ages in a welcoming and environmentally sustainable facility. The centre will also be a great location for the community to come together.

Recycling incursion at kindergarten

About 75% of our trash can be recycled. Recycling is when used waste and materials are converted into new products, so that it can be used again. Every time we recycle, we save our environment a little more. We cut down fewer trees, use less water and energy. Recycling keeps our non-useable trash from reaching the landfills where they can add to pollution.

At kindergarten we had a special visitor, Evan from Wyndham City Councils' Environment and Sustainability Department come to talk to us about the importance of recycling and caring for the environment.

We learnt about;

- What things can be recycled such as plastic's, metals, glass and paper and what we can not recycle such as plastic bags, Styrofoam, nappies etc
- The different coloured bins and what each are used for. Blue for recycling paper, plastics, metals and glass, Yellow for general rubbish and green for plant waste, grass clippings and food scraps
- Things that can be made from recycled products like paper and cardboard make more paper, plastics can turn into storage tubs and bins, metals can be made into toy cars, bikes and more
- Recycling paper means that we save cutting down trees that are important for the environment because they clean the air and give us oxygen for our health
- That plastics bags cannot be put into recycling bins because they can break the special recycling sorting machines, but plastic bags can be recycled at the supermarkets or it is best to re-use them or use your own cloth bags instead of plastic ones.

The children participated in a recycling exercise with Evan to sort rubbish and place them into the correct bins provided, general rubbish, compost or recycling. We also discussed some ways that we can recycle here at our Kindergarten and in our homes. We learnt how to use our worm farm and compost bin, gaining a better understanding of how they make our environment cleaner, more sustainable and effective.

Reconciliation

In the spirit of reconciliation as a kindergarten we immersed ourselves in learning about the Aboriginal Community and Torres Strait Islander peoples. The children were exposed to various resources within the program including artefacts, stories, flora, fauna and various art mediums. We taught the children songs including 'Red, Black and Yellow', 'Inanay Gupu Wanna' and 'Taba Naba' inviting them to use instruments or follow actions.

TAKE YOUR EWASTE TO A BETTER PLACE

To help protect our environment and recover more precious resources, the Victorian Government is banning all e-waste from going to landfill as of 1 July 2019. That means, e-waste can't go in any bin.

E-waste (electronic waste) is any item with a plug, battery or power cord that is no longer in working condition. Including small appliances such as toasters and coffee machines, electric tools like drills and sewing machines and IT equipment such as computers and laptops.

Bring any unwanted e-waste to Penrose CC on Wednesday 21 August from 8:30am – 11:30am to have it recycled free of charge. Please visit www.wyndham.vic.gov.au/otherrecyclingservices for more information.

Wyndham's Children's Week Picnic is back for its 19th year. Come and celebrate with us at Werribee Park on Sunday 27 October – 10am – 4pm.

This is a fun filled and FREE day out for the entire family, with a range of exciting sports, music and arts activities, as well as several stages with action packed entertainment!

Get ready for: The Mik Maks, Alex the Magician, I Love Bubbles Show & Bubbly Photo Booth, Tubby The Robot, Wyndham Youth Services' Silent Disco, The Wyndham Traffic School and so, so much more!

Entry to the picnic and all activities are FREE for visitors.

Enjoy a pawfect day out with your furry friends at Wyndham City's FREE Pet & Animal Expo!

Held in the grounds of the Wyndham Civic Centre, 45 Princes Hwy, Werribee; this free annual event is a must for all animal-lovers and their furry friends, with a huge program of shows, demonstrations and free activities.

As well as providing an opportunity for pet-owners to pick up tips in caring for their pets, the event will also celebrate a wide range of animals, including birds of prey, native wildlife, fish and reptiles!

Enjoy the animal farm, stage entertainment, dog arena and children's activities; find out about local pet services and pick up treats and products for your four-legged friends.

Well-behaved, socialised pets are welcome and must be kept on a lead.

Make a day of it and enjoy something delicious from our food trucks.

Full program details to be announced closer to the date.
