

Accessibility Action Plan 2019 – 2022

Easy English Version

About this Document

You are important to us. We want you to:

- feel welcome
- to be included
- participate in life and activities in the community

We spoke with people with disability

- in the community
- employees at Council
- and services

This document is about Wyndham City Council's action plan for people with disability

This booklet is an easy read summary of the action plan

The action plan will start in 2019 and end in 2022

We will report our progress for the actions each year

What the hard words mean

Actions – what we will do

Accessible – things that make it easier to join in

Advocate – a person who explains what you need to someone else

Community – the people who live in our area

Community Centre – a place where people go to do an activity

Inclusive – thinking about everyone

Participate – making it easier to join in

Technology – things that make it easy to do things or get around

Volunteers – people who help in the community

Website – a place where people get information online

Workplace adjustments – things to help you do your job

We want to make things better for you in 4 ways

1. Making Council more welcoming of people with disability

2. Making the community a better place for people with disability

3. Making Council a better workplace for people with disability

4. Making it easier for people with disability to join in

The things we do are called actions.

The actions are put into 4 areas.

1. Our community is more inclusive of people with disability

Actions we will do:

1. We will have a website that everyone can use

2. We will have more things for people with disability in our libraries

3. We will have better access to childcare and education for children

4. We will improve customer support for people

5. We will include more art from people with disability

6. We will have more volunteers that are people with disability

2. Places in Council are welcoming of people with disability

Actions we will do

1. We will make our community centres more accessible for people

2. We will make our events more accessible for people

3. We will make our buildings, parks, and outdoor areas more accessible

4. We will advocate for better transport

5. We will use more technology to improve access

6. We will make sport and recreation more accessible

3. Employment of people with disability is important

Actions we will do

1. We want more people with disability to work for us

2. We will provide workplace adjustments for our employees

3. We want our training to be accessible for everyone

4. We will improve safety for our employees and community

5. We encourage business in Wyndham to employ people with disability

4. Participation of people with disability is important to us

Actions we will do

1. We will talk to people with disability

2. We will talk to disability services

3. We will talk to State Government to influence better access

4. We will support the rollout of the NDIS

5. We will get goods and services from people with disability

6. We want feedback from people with disability
