Recycle bins for E - Waste and Clothing

NEW

On 1 July the State Government introduced an e-waste ban meaning that electronic waste could no longer be placed into any bin (garbage or recycling). For a three-month trial period, commencing on 1 October, three collection hubs will be established across Wyndham. These will be located at the carpark in the below community centres:

- Arndell Park Community Centre
- Manor Lakes Community Learning Centre and
- Wyndham Park Community Centre precinct

These hubs will allow residents to drop off e-waste and textiles (clothing) free of charge. If the trial is successful, Council will consider rolling out these hubs to other locations, with the aim of getting better geographical coverage across the municipality.

Larger items (e.g. fridges) will still need to be disposed of at **Council's transfer station** or via a **Green & Hard Waste collection**.

For more information go to www.wyndham.vic.gov.au/e-waste or contact wastewise@wyndham.vic.gov.au.

Community Centre's inspiring lives - Learn, Create, Connect

Robert Sutherland's story...

About 4 years ago Robert was diagnosed with stage 5 melanoma and was unable to work anymore, he had handover his successful maintenance business to his son-in-law. The first 2 years were very difficult with chemo/radiation treatment.

Today Robert's health is stable and he is able to live a normal life with some self management as illness and treatment has resulted in loss of short term memory and balance/coordination. His resilience and determination is incredible, The Genevieve's Community Kitchen family were blessed to have Robert join them.

Robert is first and foremost a family man he has 4 children, 8 grandchildren and one on the way, he has a huge heart for the community and whilst he was completing the Hospitality training, he would come in early in the mornings to help in the community café. Robert is now a volunteer with Genevieve's Community Kitchen.

After a conversation with Angela who manages the Genevieve's Community Kitchen at the Manor Lakes Community Learning Centre, he read the information about the Hospitality Training course and decided to enrol in the program.

As a result of participating in the training course at the Genevieve's Community Kitchen a lot has changed for Robert. It has given him an opportunity to learn new skills, meet a lot of new people, better quality of life and a purpose. This has been an important change for him as he thinks with his illness he would be sitting at home but now he not only gets to meet different people but has also made new friends. He is always up for a chat and would love to hear your story too.

Robert is the charming gentleman with the piercing blue eyes and cheeky smile and you will recognise him also by his bright coloured Hawaiian shirts that will brighten up anyone's day.

Take some time out and drop in for coffee, toastie or something sweet and he makes the best baby cinos.

Indian Cooking Workshop & Ceramics and Pottery Workshop

Indian Cooking Workshop

On Monday 2 September we had an Indian Cooking Workshop during the Wyndham Learning Festival. The participants learned to prepare both vegetarian and non vegetarian home cooked Indian delicacies which included Butter Chicken, Paneer Butter Masala, Cumin rice and Chapatis along with some salad and yoghurt. We will be conducting a workshop where you can learn how to make Indian sweets. If you are interested, please call the centre and register your interest.

Ceramics & Pottery Workshop

The Wyndham Learning Festival in its 4th year is a whole community event that provided learning activities across the city of Wyndham from 1-8 September 2019. The festival hosted activities for all ages to promote lifelong learning. One of the activities offered at Manor Lakes Community Learning Centre as part of the learning festival was the Ceramics and Pottery workshop.

Participants were introduced to key hand building techniques which enabled them to design and construct their very own ceramic vessels. Participants were then guided as they applied surface texture and underglaze colours to finalised their designs, prior to the firing and glazing process. Participants were also given a pottery wheel demonstration, to showcase another one of the many facets involved in ceramics.

Ceramics classes for adults, teens and children will be running in Term 4 at Manor Lakes Community Learning Centre.

A community discussion for men, women, parents, partners, teachers and coaches

Manhood, men, mates... me

"Bloke, strong, stable, quiet, provider, breadwinner, protector..."

What does it mean to be a man? What is a bloke? Are we defined by our work? Our sport? Our relationships? Is masculinity under threat? Or are these old ideals stopping us from...

Life is complex, relationships are complex, parenthood is complex, men are complex and masculinity is too.

Please join us as we explore modern manhood, how old and rigid masculinity limits men and boys, our behaviours, expectations of self and success, and all our relationships – ourselves, our partner, our families and community.

Join us in a discussion led by experts as we together explore a more diverse and inclusive understanding of masculinity, asking questions and sharing thoughts and experiences.
