Tarneit Community Learning Centre

TARNEIT COMMUNITY LEARNING CENTRE RENOVATION UPDATE

The redevelopment of the Tarneit Community Learning Centre is almost complete, with final touches due to conclude in late October 2019.

The entire centre will have a new 'look and feel', however we are especially excited to share the following additions with our community:

Tarneit Youth Space

Our neighbourhood is a special and exciting place, largely due to our young community members aged between 12 – 25. We have been working closely with the Wyndham Youth Services team to create multiple spaces (and programs/services!) which reflect the needs and aspirations of our young people.

Additional Work Spaces for Council Services

Tarneit Community Learning Centre is a hub for community information. We want to bring 'Council to the Community' and increase local access to all the services Wyndham City has to offer.

New work spaces and meeting rooms have been included in the redevelopment to support services like Town Planning, Economic Growth and Building Services to connect with the community that live in and around Tarneit.

Keep an eye out for all building updates and get ready for a big party in March 2020 to celebrate all the changes.

Community Lounges

We love it when our community makes the most of the various spaces in the Tarneit Community Learning Centre, not only for planned activities but also simply as places to meet up, grab a cuppa or relax.

Existing rooms and hallways have been reclaimed to enhance this function with cosy furniture and most importantly... **A New Coffee Machine!**

Wyndham Council acknowledges the Woiwurrung and Boonwurrung peoples of the Kulin Nation as the Traditional Owners of the land on which Tarneit Community Learning Centre is built.

DO YOU WANT TO KNOW MORE ABOUT ABORIGINAL HISTORY?

The Kulin Nation refers to an alliance of five Aboriginal tribes in south central Victoria

The Wadawurrung are the seven family groups who are the sole descendants of John Robinson, our apical ancestor. According to John Robinson's birth certificate, he was born in 1846 and lived until 1919. His final resting place is the Warrnambool cemetery.

John had two children (Emily and William) with his wife Esther in Skipton. In 1892 John left Esther and walked to Woolsthorpe with Margaret Anne Matthews. He fathered another five children with Margaret after leaving Skipton.

Descendants of John Robinson researched their ancestry and succeeded in 1997 to acquire enough information to be recognised as Traditional Owners.

The Wathaurung Aboriginal Corporation (WAC) was incorporated under The Aboriginal Councils and Associations Act 1976 to act on behalf of and represent the interests of all Wadawurrung people. WAC trading as Wadawurrung, was accorded Registered Aboriginal Party (RAP) status on 21st May 2009.

If you want to learn more about the Traditional Custodians of this land and explore our hidden history, walk the Harpley Discovery Trail in Werribee and download the Harpley Discovery Trail App to find lots of exciting things to do.
