

Term 1, Year 2020

[illegible]

Wyndham City acknowledges the peoples of the Kulin Nation as the traditional custodians of the land on which this centre is built. In all our activities in this place, may we pay respect to Elders of all Aboriginal communities, past, present & future.

GLOBAL ACTIVITIES

The Point Cook Community Learning Centre embraces Point Cook's diverse community with a suite of programs from many different cultures in 2020. Following the popularity of the Point Cook Seniors Group last year we are starting a new multicultural seniors group. The program will be facilitated by centre volunteers Qin & Didier on Wednesdays between 12-2:30pm. This program aims to bring seniors from all cultures together particularly those who are feeling isolated. They can come along meet new people, share food & stories.

Other cultural groups include a West Korean, Iraqi, Indian & Chinese seniors groups. Culture Cuisines welcomes people to come share their foods & meet up. Or if you are looking for something specific there is the Latin Club, or the Zimbabwean, Shona Ndebele Telugu language programs. We also have women specific multicultural groups such as the Women's Circle & Friendship groups.

With the growing number of young families in Point Cook the centre is starting two new playgroups this year. Parents often find playgroup to be a sanctuary, to meet other parents, gather advice & just relax while their child plays. There is much evidence supporting play based learning, especially during the formative periods in a young child's life. Playgroup promotes learning through play. The first of the new playgroups, in partnership with JUNUBI in Wyndham will be a South Sudanese specific parents group & playgroup. It will run on Friday mornings between 11:30am to 1pm. The second playgroup will be Islamic specific & will run on Mondays between 1-3pm.

For further information on any of these activities, refer to our program guide. Or you can drop in to speak to our friendly staff or email pointcookclc@wyndham.vic.gov.au or call 9395 6399.

We have a range of JUNUBI in Wyndham - South Sudanese programs for all life stage. Richard Deng Chairperson of the South Sudanese Community in Wyndham (SSCIW) explains "SSCIW is a conduit between the State & Local governments & other service providers. We refer or link our community members to job networks & other Service Providers in the Wyndham area & beyond. We run community meetings, parenting programs & other cultural support activities for South Sudanese Community members". Furthermore, "we run a community road safety driving program supported by VicRoads". Somewhere in his spare time Richard manages to mentor University Students. SSCIW services are available here at the Point Cook Community Learning Centre three days a week. Wednesdays 10am-4:30pm, Thursdays 10am-12:30pm & Saturdays 10am-5pm. Community members can drop in during these hours or make a time to meet with Richard by calling 0413 820 994 or emailing richarddengdit@yahoo.com.au.

The South Sudanese Action Group's Home Work Club, facilitated by Lydia Madut & Deng Atem will continue again this year on Wednesdays during school terms between 4-6:30pm. Last year the program supported many primary aged children. The kids joined in with the Latin Club during the Wyndham Learning Festival in September. It was great to see the fusion of cultures celebrating all things Latin with people from 5 different continents.

Dr Santino Deng & Ms Akech Mac will run a Family Wellbeing program conveniently along side the home work club on Wednesdays. Parents who drop their kids off to the homework club can attend, to meet, relax & share ideas on family wellbeing. This program is also running on Fridays between 10:30am-12:30pm at the Wyndham Community & Education centre in Werribee & on Saturdays between 5:30-7:30pm at the Manor Lakes Secondary College. All family members are encouraged to attend. Child care & snacks are provided. For more information on the Family Wellbeing program contact Akech Mac via phone 0403 453 270 or email akech.mac@wyndhamcec.org.au.

We are delighted that Susanna Manyiel & Trazia Akec will be facilitating the Rumbek South Sudanese Social Group on Saturdays between 3:30-6pm. Susanna & Trazia have been running their program in Susanna's home until recently, but it has grown

substantially. This social program is for all ages right through from young people to seniors. It will include dancing & group conversation. For anyone interested email susana1231969@hotmail.com.

Apanda Maker will be trialling the Sinna Mentor program on Fridays 3 times a month between 5-8pm. This program is aimed at young South Sudanese where they can learn the Yirol youth traditional dances, have fun, get fit, active & reconnect with their African culture. Anyone interested can contact Apanda, mobile 0452 217 858 or email apandamaker2017@gmail.com. Apanda will also run a weekly program at the Tarneit Community Learning Centre on Saturdays.

CONNECTING THE HEART OF POINT COOK

The popular community led Point Cook Pop Up Park will be back again in 2020 for eight fun-filled weeks from 4 February till 29 March. Now into its 3rd iteration, the park has been a firm favourite for locals of all ages. In 2019, it attracted over 90,000 visitors. The Park hosted over 273 free events & activities supported by Wyndham City & Stockland; 194 of which were an amazing contribution of goodwill from local groups & businesses.

It is back, full of fun & as good as ever with lots of favourites like movie nights & live music. New ideas from the participants of the University of Melbourne regenerative placemaking students, a result of a collaboration with over 70 regenerative placemaking Masters students focusing their attention on Point Cook. In February, the park will act as a chill out zone for the ever popular Lunar festival. It will also host the colourful signature Bolly Holi event in March.

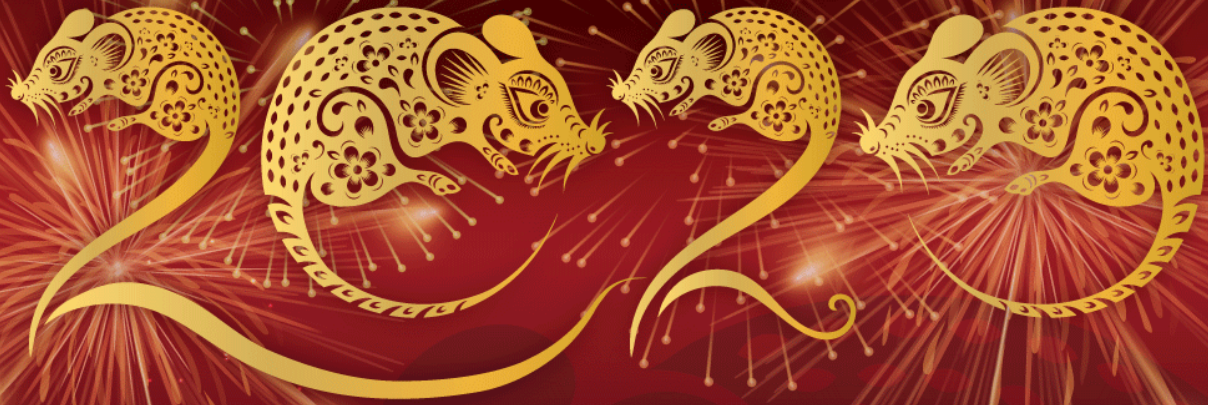

Point Cook is known as one of the fastest growing suburbs in Australia with a community of over 64,000 people from 160 different ethnicities. It also is known as the largest online shopping area in Australia. (four years in a row - according to Australia post).

Co-Leads Susan McIntyre & Sara Mitchell believe that community led placemaking allows for a unique experience bringing locals together to collaborate, share ideas & make things happen. Not only creating great spaces but a place for people to meet & get to know one another. The knock on effect is that the community supports the local economy while they are enjoying the space. They continue to work towards building capacity for others to bring their ideas to life.

The park will be situated in the restaurant precinct of Stockland Point Cook Town Centre in Murnong Street. The space will be a mix of programmed & organic activity & anyone who is interested in getting involved is encouraged to get in touch via the Facebook or email. ANGE GOEGAN — TUTOR PROFILE

Meet Ange Goegan; our tutor the for popular cake decorating program delivered in partnership with Wyndham Community & Education Centre.

A little about me! My family & I immigrated from Scotland in 1981 & have lived in Werribee for 38 years. I have been creating cakes for around 6 years. I was a hairdresser for 28 years, but unfortunately I had to stop which has led me in a new direction, to follow my passion for creating chocolates & cakes. In 2012 I decided to enrol in my first chocolate class which I loved, & decided to complete a couple more classes in advanced chocolate making. I was then asked by a local hotel to provide chocolates for their guests. Luckily I had a spare room at home which with the help of family & friends, managed to fit it out with a commercial kitchen & registered with Wyndham City Council Health Department, hence 'Cocobudz' was created. From chocolate making, I then provided gourmet slices & cupcakes for a local restaurant. Wanting to go a bit further, I then enrolled in a beginners cake decorating course which I did here at the Point Cook Community Learning Centre taught by Rhiannon Smith. I covered 6 terms of cake

decorating starting from beginners to advanced. I love what I do & I now have been fortunate to be able to pass on some of my skills to others teaching back where it all began here at the centre. For more information on the beginners cake decorating program refer to Education & Training section of the program.

Look up Ange's business, Cocobudz Handcrafted Cakes, Slices & Chocolates, made to order for gifts, functions, retail & special occasions. Phone: 0411 033 903
