Design a Pokécard.
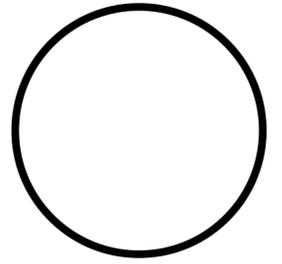

Name of Pokémon:_____   HP:_____   Pokémon Type:

Draw your Pokémon.

What is your Pokémon's special attack? How much damage does it do?
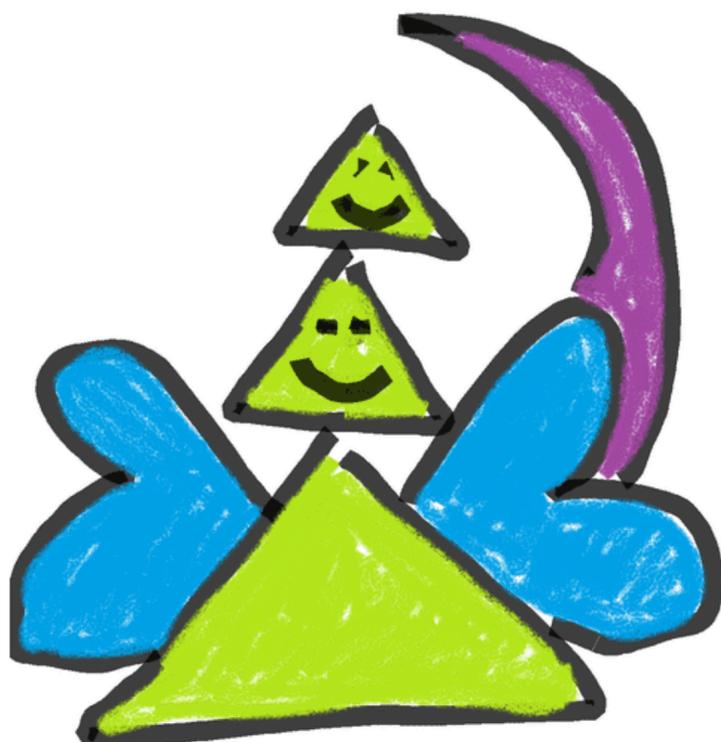

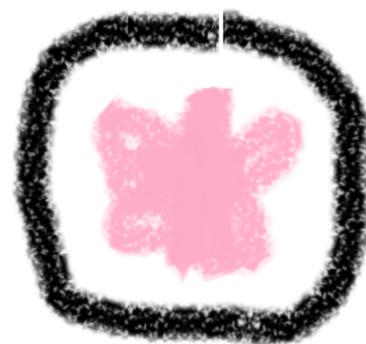

Design a Pokécard.

If you don't have a printer you can use the card template as a guide and design your own on paper.

Tribuddy   HP:250   Fairy Type

Pokemon attacks by throwing small triangle shapes at opponent to inflict damage.

Design your own Pokéball

What is the ball called?

What Pokemon can you use it on?

Triangle Ball
This ball is just for the Pokemon Tribuddy. Tribuddy will run away from any round type ball.
