

# 7 Day Art Challenge

Each day you can choose an art task to complete. Use whichever drawing medium you prefer. You will need pencils/pens & paper/ various craft supplies, or a digital drawing program. Try different art styles/techniques.

You could also research different art styles online and try a new style each day.

For example:

**Realism:** subjects painted from everyday life in a naturalistic manner

**Abstract:** art that does not try to look like something that is real but instead use shapes, colours, forms and gestural marks to achieve its effect.

**Cubism:** different views of an object together in the same picture, resulting in paintings that appear fragmented and abstracted

**Cartooning:** sketch or drawing, usually humorous which symbolizes or satirizes some action/person/thing

**Collage:** a work of art in which pieces of paper, photographs, fabric and other craft items are arranged and stuck down onto a supporting surface like paper or cardboard
