

# Roll a Story.

Roll a dice (if you don't have a dice you can make one or get a grown up to use a dice app on their phone). Use the table below to help you write your story. For example if you rolled a 4, 6 and 2 your story would be about zombie who finds magic shoes in a desert.

	Character	Problem	Setting
	Alien	Character is lost	Space
	Super Villain	Ran into bad guys	Desert
	Ghost	Fire breathing dragon	Under water
	Zombie	New kid at school	Medieval time
	Fairy	Time travel	The future
	Yourself	Find magic shoes	Video game world
