WAY OUT
WEST
2020

MAYORAL FOREWORD

As Wyndham's Mayor, it is a great honour to showcase the outstanding creative talents of our talented young people – presented in 'Way Out West 2020'.

The annual Way Out West Photography Competition is organised by Wyndham City Libraries and Youth Services. Now, in its fifth year and this year, adapting to the new COVID-19 environment. With photographs displayed in a new book format – a first for this competition.

Every year this competition grows in popularity and attracts more and more creative and talented young people. This year's competition attracted 166 entries.

What I love about this competition is that it creates opportunities for our young people to showcase and celebrate their artistic talents. It's a positive way for young people to express themselves and share their ideas and perspectives of living in the West. This inspiring collection shows the depth and passion of our young people and I know you will love it as much as I do.

Mayor Cr, Josh Gilligan
