

COMIC BOOK VILLAIN WANTED POSTER

Every hero needs a villain. Comic books wouldn't be the same without a villain plotting to take over the town, the country, the world or the universe! Having your face on a criminal "Wanted" poster was a sign, that as a villain, you had made it to the big time. Some of our favourite villains are: Darth Vader, Cruella DeVile, Magneto, Poison Ivy, Doctor Doom, Hela, Davros, Boris Badenov and Natasha Fatale, Dracula and Kang and Kodos.

So how bad do you have to be to get your own wanted poster?

Diabolical, evil and downright nasty.

What happens when you get your own wanted poster?

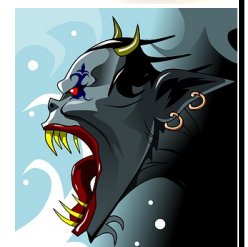

If you are wanted by the law as a criminal, you would be hunted down, face the full force of the law and locked in prison. (Or frozen in carbonite, if you were really unlucky!)

But chances are, to keep the story moving, you found a way to escape anyway.

After all, a hero cannot be a hero without a villain!

Use the template to create your own wanted poster. Or you might like to draw your own on paper or use a digital sketchpad.

Think about what makes a villain look like a villain. Crazy hair, scars, tentacles, scowling, magic lightning, red/green eyes, drool, evil expression or an expression of innocence. Create a villain that appeals to you.
