

Spring Bunting

Bunting is a festive decoration usually made from fabric or paper triangles strung up on string. To celebrate spring we are going to make some!

How to make bunting:

- Have a look at the images below
- Draw triangles on paper
- Decorate then cut out
- Use a long piece of string, ribbon or wool to attach the bunting together. You can use tape or staple the bunting to the string or punch to holes into the paper and thread the string through.
- Now decorate your room!
