

# MAKE A Joke Book

Do you love to laugh? Do you love to tell jokes? Now is your time to shine! Grab some supplies and put your thinking cap on and write some jokes.

## What you need:

- paper
- stapler
- drawing materials

## What to do:

1. To make the book you will need a few pieces of paper. Stack your paper together and fold in half then staple to secure. Now you have a little book!
2. Design a front cover for your joke book. You are the author and illustrator so don't forget to write your name.
3. Fill the pages up with jokes and funny illustrations.
4. Need inspiration? What do you find funny? Knock knock jokes? Funny short stories? Have a look at the pictures below for inspiration.
