

Write a comic strip!

Today you are going to write your own comic book or comic strip! Use the templates on the pages below. Either print them out or draw them yourself. The last page has speech bubble designs to inspire you. What will your comic be about? Superheros? Villians? Game characters? Zombies? Aliens? The possibilities are endless!

Main Character:

- Write down details about your character. What do they look like, what they are wearing, do they have armor, weapons, powers?

Setting:

- Location: a city, the countryside, in space or somewhere else?
- Time period. Is it current time, the future or in the past?

Storyline:

- What is the plot of your comic?
- How does the comic begin?
- What challenges does your character face?
