

# WRITE TO A CURIOUS CREATURE

1. Scan the QR code to view some of this year's CBCA Book Week stories on Story Box Library.
2. Read about each of Story Box Library's curious creatures.
3. Use the letter template to write to one of the Story Box Library creatures, recommending a story you think they would enjoy viewing based on their interests. Remember to give reasons for your suggestion.

My name is **Madge** and I'm an explorer. I enjoy stories about adventure and I love to explore new places, but not the dentist! I love attending big birthday parties and always take a handbag. My handbags come in handy for storing my favourite books and the treasures I find on my adventures, especially the ones I find at the beach.

MADGE

BORIS

My name is **Boris** and my favourite words are 'please' and 'thank you'. Home is my favourite place. I like to make it cosy for neighbours who visit. I shake their hand and offer them a drink as they walk through my front door. I like to read non-fiction books because I enjoy learning new facts. I have bow ties in many colours and I am learning how to fly!

My name is **Ernie**. I love to wear big hats and give big hugs. I'm a travel bug who loves to visit new places, explore the big, wide world and learn new languages. I've moved many times and have lived in many houses. When I first migrated to Australia, I found a lot of unfamiliar sights, sounds and smells. I like to read books about characters who've shared similar situations.

ERNIE

EDNA

My name is **Edna** and reading is my favourite thing to do. I love to find quiet spots to read. The library is a great place for that. I also love to write and illustrate my own stories. I love animals and I have many pets. Some people think I'm shy because I find it hard to talk to new people, but I do like reading stories about brave characters and adventures.

# WRITE TO A CURIOUS CREATURE

Dear \_\_\_\_\_,

Yours sincerely, \_\_\_\_\_
