

Drawing Competition Instructions

1. Roll the dice and match the number on the dice to the row with the same number on the chart
2. See which creature body is in that row (in the 1st roll column)
3. Draw the body on a blank A4 piece of paper
4. Roll the dice again, match the number on the dice to a row on the chart to see what sort of head your creature will have (in the 2nd roll column)
5. Draw your creatures head on the body
6. Continue to roll and draw until you have created your creature
7. You can colour your creature, add a background and name your creature!
8. Enter your drawing in the competition on our drawing page on our website
