

# Crazy Hair Toy

We are going to make some crazy hair toys with rainbow coloured hair! When you are finished take a photo and submit to the [Kids Holiday Activity Gallery](#).

## What you need:

- White or coloured paper
- Colouring supplies
- Sticky tape
- Scissors

## What to do:

1. If you do not have coloured paper you can colour it in yourself like I have. Cut an A4 piece of paper in half. Then cut one of the halves in half again. The head of the toy will be the smaller strip. The hair will be the larger.
2. Draw a face on the paper that will be the head in the middle like in the picture.
3. Roll the paper up to make a tube and sticky tape together.
4. Roll the larger piece of paper up and use tape to stick to the head. This will be the hair. Now cut the hair into strips and you have a toy with crazy hair!
