

# Make a Lego Brick!

Let's make some Lego bricks out of paper! If you have a printer, you can print out the template on the next page. If not you can draw your own on paper with a ruler. Make sure each square is the same size. For example 5cmx5cm. Fold along the lines and glue or sticky tape the block together. How many can you make?

When you have finished take a photo and submit to the [Kids Club Online Gallery](#).
