

Easter Handprint Rabbit Card

Using your hand print we are going to make an Easter rabbit card.

What you need:

- Paper
- Colouring supplies
- Scissors

What to do:

1. Trace around your hand on paper. You can use pencil so if you make a mistake you can rub it out. Then go over the pencil with a darker colour.
2. Draw a face for your rabbit. Add in the inside of its ears and two feet.
3. Colour everything in. Then cut out the handprint. Fold over the thumb and little finger to make the rabbit's arms and colour this in. Fold the middle finger behind or cut it off. You can stick the rabbit onto a piece of folded paper to make an Easter card to give to someone.
4. Don't forget to take a photo and submit it to the [Kids Holiday Activities Gallery](#).

What other animals can you make with your handprint? If you have paint at home you can get messy and paint your hand then stamp it onto paper!
