

# CARDBOARD ROLL

## MANDALORIAN

Using a toilet paper roll and paper let's make Din Djarin from The Mandalorian!

### What you need:

- Cardboard roll (from toilet paper or paper towel)
- Paper
- Colouring supplies
- Glue or sticky tape

### What to do:

1. Draw the helmet on paper. Make it larger than the end of the roll. Colour in and cut out.
2. Now you can draw the armor. I cut a strip of paper big enough to wrap around the roll and drew a shield and leg guards. Draw a belt and sash, colour in and cut out.
3. Using glue or tape, stick the armor to the roll and add the sash and belt. Stick the head to the top of the roll.
4. Check out the Cardboard Roll Baby Yoda activity too. Take a photo for the [Kids Club Online Gallery!](#)
