

Minecraft Cube Craft

Can you make a cube out of paper?

Print out one of the following design pages or draw your own template and Minecraft images.

Cut around the outside of the cube template. Fold all the black lines. Tape or glue into a cube shape.

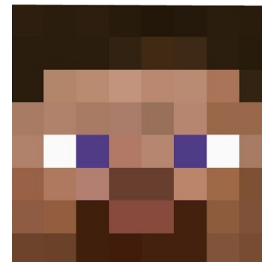

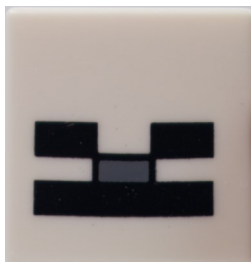

Now you can decorate your cube with a Minecraft theme.

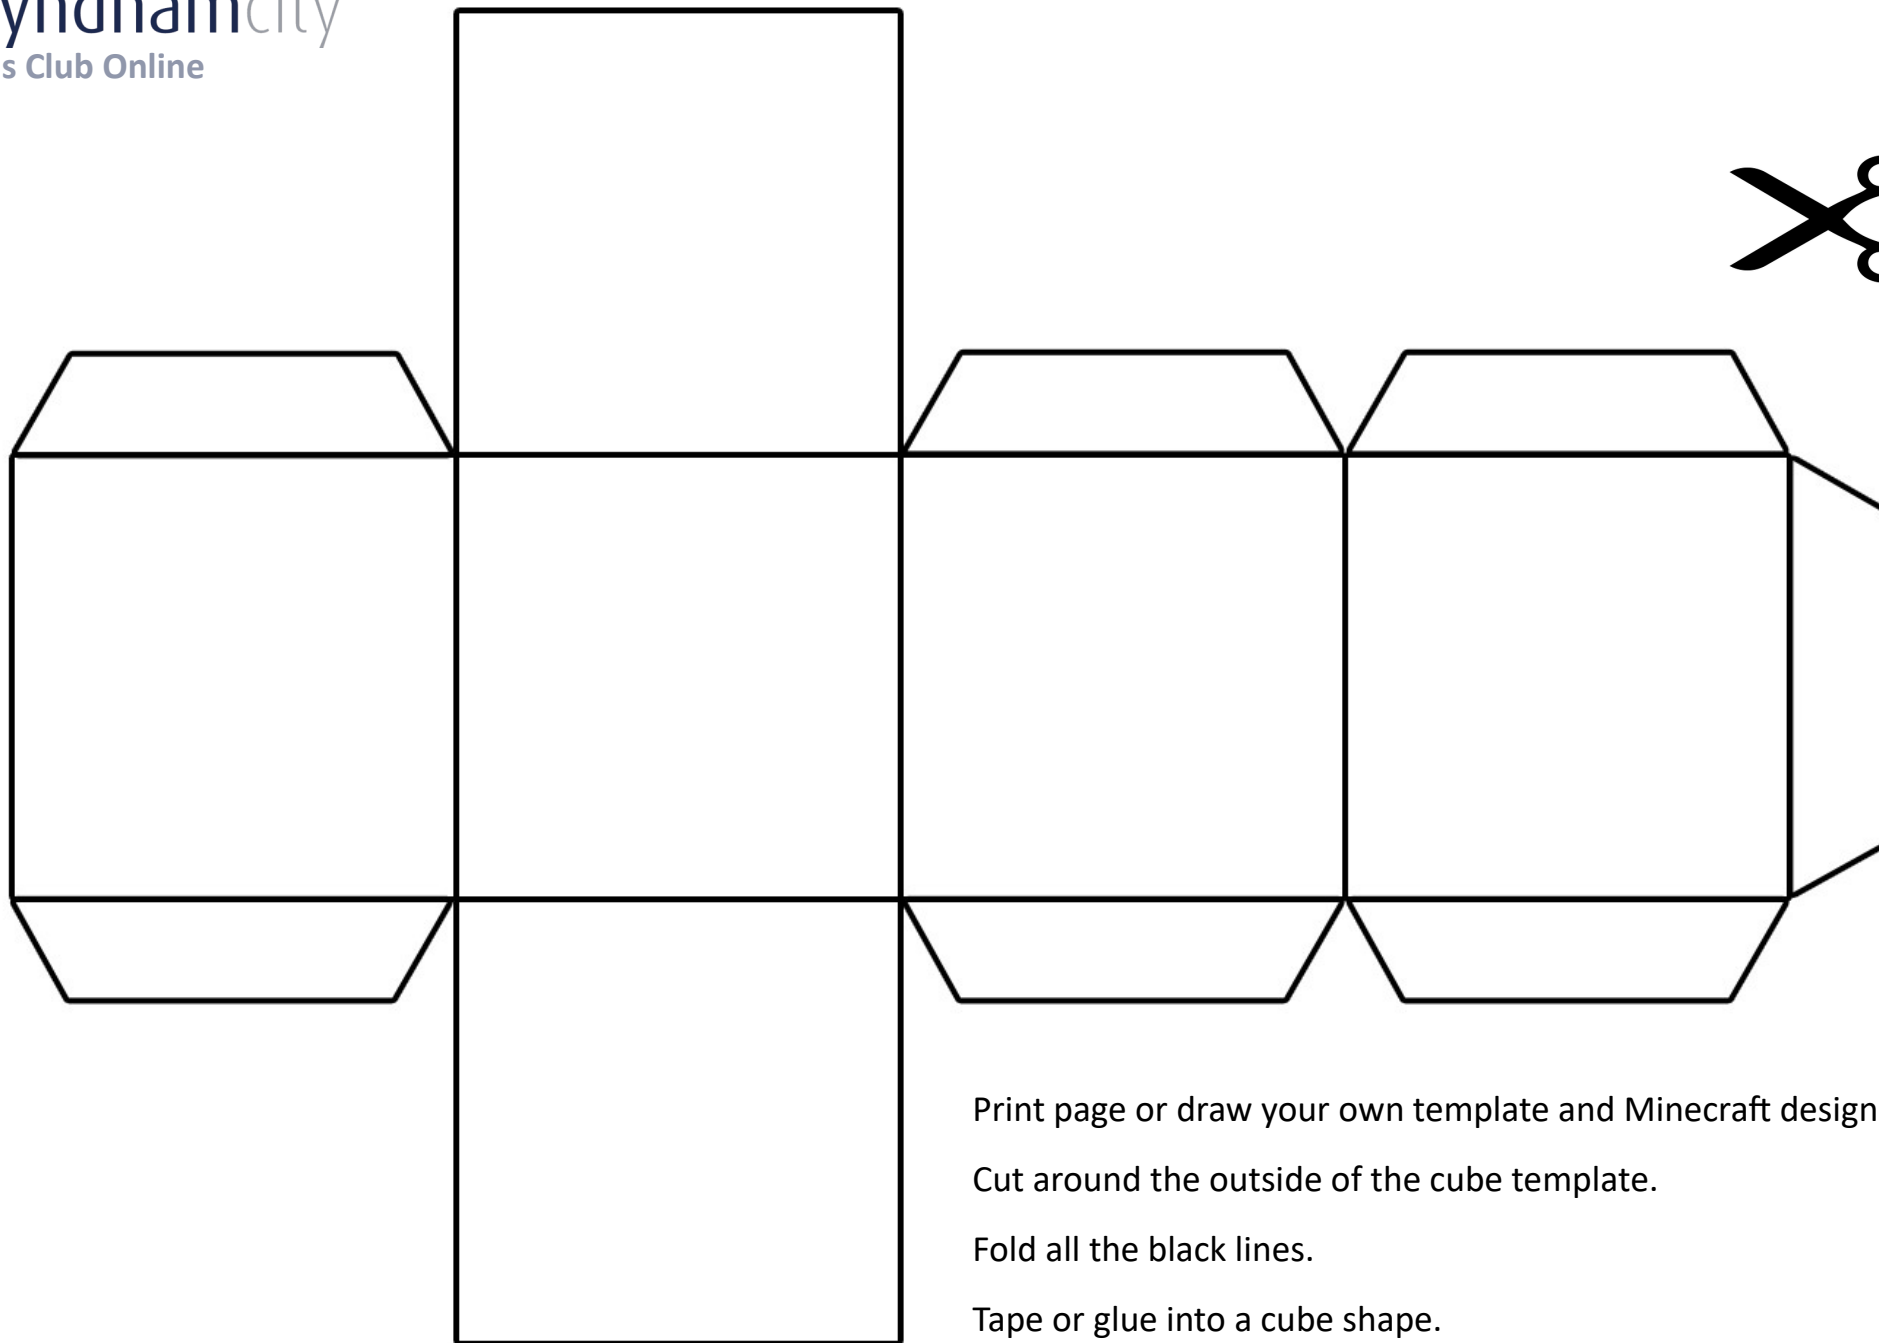

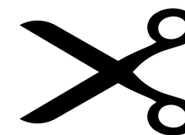

Print out or trace the template on the next page.

Draw and create your own Minecraft characters on the templates.

Use textas or pencils to colour the templates.
