

What Does a Successful Learning City Look Like to You?

What idea/s or tools will I bring back from today to my own work?

Empathy partnerships

Empathy is important

Rethinking

Consider the mental health of your partners and yourself - are you ok?

Learn more about SDG 27

Revisit the SDGs

Embedding lifelong learning in culture

Be brave and ask your partners what their capacity is to contribute

The glue of successful partnerships is empathy/ kindness for connection - it about real humanity - connecting so we can all pedal in the same direction.

What idea/s or tools will I bring back from today to my own work?

I mean SDG 17

Learn about SDG 17 (partnerships)

Be Creative

Renaissance dialogue!

Happy to know that projects like these are running
- I'm a career changer and this is exactly what I was hoping to find!

Take the time to understand where our partners have come from, how they are doing at present and consider future challenges #empathy

Think about the Learning Renaissance idea

Learn more about SDGS

Work on new ideas, more empathy collaborations, activate more learning opportunity in my City, reach out to like-minded people.

What idea/s or tools will I bring back from today to my own work?

Be flexible
