

Wyndham Learning Together

Workshops to Improve Outcomes for Children,
Young People and Families

Term Two 2021

The Background

The purpose of the Professional Development calendar is to deliver professional development sessions that are affordable and locally accessible. It also provides opportunities to showcase innovative practice and projects whilst being responsive to locally identified needs.

The budget for the Calendar is self-funding, i.e. the income from registrations alone covers all associated costs (presenters, room hire, refreshments etc).

How it Works

- ❖ Check the calendar and make a note of the workshops you think you would like to attend
- ❖ Look out for the emails which will be sent approx. 6 weeks prior to each workshop
- ❖ The emails will have more information and will include a link to book on Eventbrite
- ❖ No refunds will be issued for non-attendance but you can send someone in your place if you find you are unable to attend on the day
- ❖ Workshops may be added during the year and updates to the Calendar will be sent as and when this happens
- ❖ Prices may change when advertised for booking if additional expenses come to light
