HOW TO MAKE AN APPLICATION FOR AN OCCUPANCY PERMIT FOR A PLACE OF PUBLIC ENTERTAINMENT

1. Why do I need to apply to Wyndham City Council for a permit to conduct the public entertainment?

Section 54 of the Building Act 1993 requires the owner or agent of owner to apply for an occupancy permit for a place of public entertainment.

Section 217 of the Building Act 1993 binds the Crown in right of the State of Victoria including a lessee or licensee of the Crown.

An application for a Place of Public Entertainment must be made to the Municipal Building Surveyor of the Council.

A **place of public entertainment** is defined as:

- a) A building in a prescribed class of buildings (i.e. Class 9b buildings having an area greater than 500m² and prescribed temporary structures) which is used or intended to be used for the purpose of providing public entertainment; or
- b) A place in a prescribed class of places –
 - which is enclosed or substantially enclosed; or
 - to which admission can be gained by payment of money or the giving of other consideration – that is used or intended to be used for the purpose of providing public entertainment;
Public entertainment means an entertainment or meeting to which admission may ordinarily be gained by members of the public;

Prescribed class of Places

The prescribed class of places is prescribed by regulation 206 of the Regulations which now provides that:

- “(b) places having an area greater than 500m² are a prescribed class of places unless-
- (i) the place is used for the purposes of conducting an event or activity which is organised and controlled by a community-based organization; and
 - (ii) the number of persons in the place at any one time during the even or activity does not exceed 5,000.”

Community-based organisation means a body whether incorporated or not that;

- is not established primarily for the purposes of profit or gain; and
- does not distribute any profit or gain made in the conduct of its activities to members; and
- operates in a community wholly for either:
 - a philanthropic or benevolent purpose (eg. A school council); or
 - any sporting or recreational purpose (eg. A football or netball club)

2. How do I apply for an occupancy permit for a place of public entertainment?
