

CHALK PAINT

What you need:

- Large chalk sticks in a few colours
- Water
- Paintbrushes
- Plastic cups
- Hammer
- Ziplock bags

What to do:

- Place 1 large chalk stick into the ziplock bag, using the hammer, break it into a fine powder.
- Pour the powder into a plastic cup.
- Repeat with the rest of the chalk.
- Slowly add water until it's a paint-like consistency.
- Paint away.
* Use a hose to wash away once you're finished
