

# DECORATE A TSHIRT

My white T-shirt looks a bit ordinary.

Want to make it look special?

Yeah. How do I do that?

You can decorate your T-shirt. Use fabric paint or markers to draw a design.

Does it have to be about winter?

Not necessarily. Choose a design that appeals to you. It could be wintery or it could be another design you really like.

You will need:

- Fabric paint or fabric markers. Follow the instructions on the packet regarding painting/drawing techniques and drying times.
- Check the packet for any additional instructions. You might have to iron the design so it doesn't come off in the wash.
- A white T-shirt.
- Some cardboard to put inside the T-shirt so the paint/markers don't bleed through to the other side.

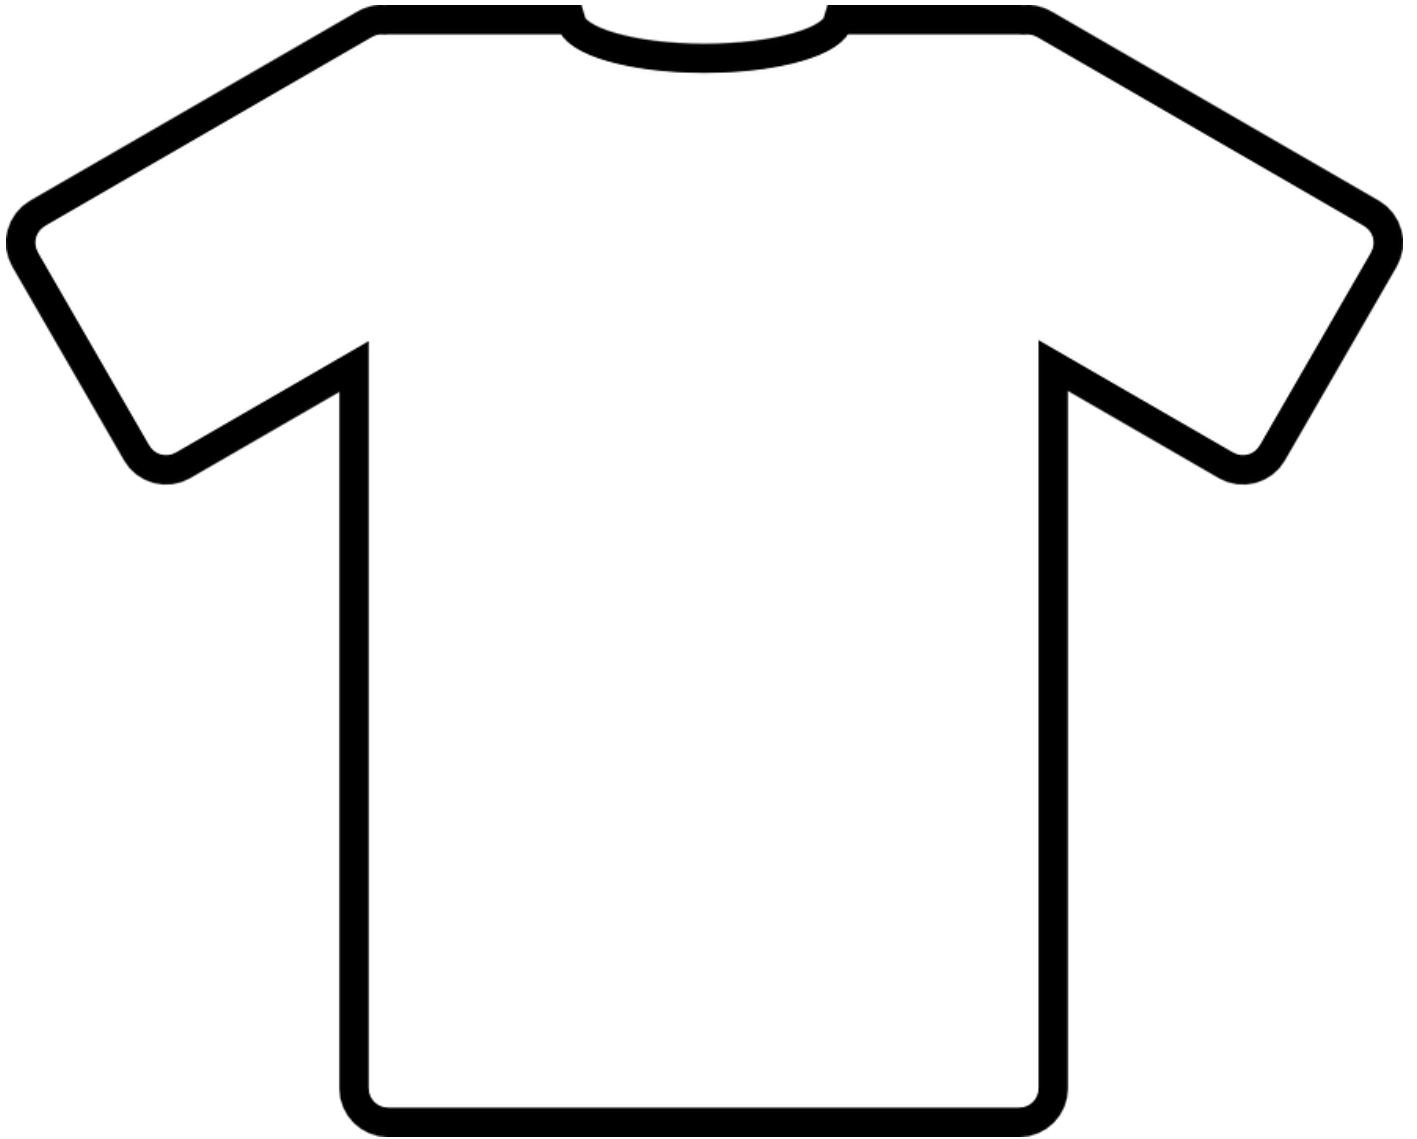

You will need to:

Draw your design first on a piece of paper. Make sure you know what is going to be painted/drawn on your T-shirt before you begin.

You might like to share your creations to the [Kids Club Online Gallery](#).

DECORATE A TSHIRT

Plan your T-shirt design here. Will you use just black and white? Will you use colour?  
Will there be one big image or lots of little images. Will it be cute, crazy or realistic?

\*\*When using fabric markers or paint, wear an art smock over your own clothes.
