

Cardboard Roll Harry Potter Characters

Who is your favourite character from the Harry Potter series? Make one and upload a photo to the [Kids Club Online Gallery](#).

What you need:

- Cardboard roll.
- Pencils/textas.
- Paper.
- Glue or sticky tape.

What to do:

1. Make the robes for your characters. I used a strip of black paper to cover half the roll. You can use any colour paper, or colour paper in. Add details onto the character, I added a shirt with buttons for Ron.
2. Now draw a face and hair onto your character.
3. It gets very cold at Hogwarts in the winter. I made scarfs from strips of paper and stuck them on top of the robes.
