

# Decorate a Book Bag

## What you need:

- Plain cotton bag (you can get these from discount department stores and craft stores. You can get plain bags and also bags with a design to colour in)
- Permanent markers (textas will also work)

## What to do:

1. Draw your picture onto the bag. If you want to practise first, sketch a picture on paper, then draw onto the bag.
2. Colour in your picture.
