

MINI ONE PAGED

Book

What you need:

- Printer or paper
- Pencils or textas
- Scissors
- Ruler
- Glue

What to do:

- Print the following page attached or using a pencil and ruler, draw a 20cm by 8cm rectangle.
- Mark every 5cms along the top and bottom of your rectangle.
- Draw lines connecting the top and bottom marks.
- Mark the middle of sides of the rectangle, this should 4cms.
- Draw a line through the middle to connect the sides.
- Cut out your rectangle.
- Fold your rectangle in half vertically, cut down the middle lines, now unfold and fold width ways.
- Fold down all the other lines.
- Once folded, it should look like a 1 paged book.
- Glue behind the middle page.
- Now decorate your front and back covers.
