

# Mr Ming and the Mooncake Dragon

## Hand puppet activity instructions

### You will need

Hand puppet activity sheet,  
scissors, glue, crayons, textas or pencils.

1. Colour-in the Dragon face, mouth, nose, beard horns and ears.
2. Cut out the nose, ears, beard and horns.
3. On the page with the dotted lines, fold the vertical lines with the face of the dragon facing to the front.
4. Glue the back pieces together, so it appears that you have a folded tube.
5. Fold the horizontal dotted lines at the top, bottom and middle of the mouth.
6. Glue the nose at the fold line between the Mouth and the face folding the flap back, standing the nostrils upright.
7. Glue the beard to the bottom of the mouth fold line creating the chin.
8. Glue the ears at the side of the face, folding the flap back to stand it upright.
9. Glue the horns inside the top of the tube above the eyes, and fold upright.
10. Put your hands in the bottom and the top of the tube to make the Dragon's Mouth move.
