

# PAINTED GARDEN ROCKS

## What you need:

- Clean rocks
- Paint
- Paintbrushes
- Textas
- Newspaper or scrap paper

## What to do:

- Paint or colour your rocks all one colour, Each rock can be a different colour.
- Let them dry.
- Once you know which herb, vegetable or fruit you want to make a label for, write the name of it on one of your dried rocks with a texta or a paintbrush and paint.
- Using your paint, decorate the rest of the rock.
- Place your rock next to the correlating plant in the garden.
