

Christmas Photo Frame

Choose one of the Christmas designs on the following pages and make a frame that will display pictures of your friends, pets or family.

Or you can design and create your own picture frames using cardboard, paddle pop sticks or even timber offcuts.

Kids Club Online

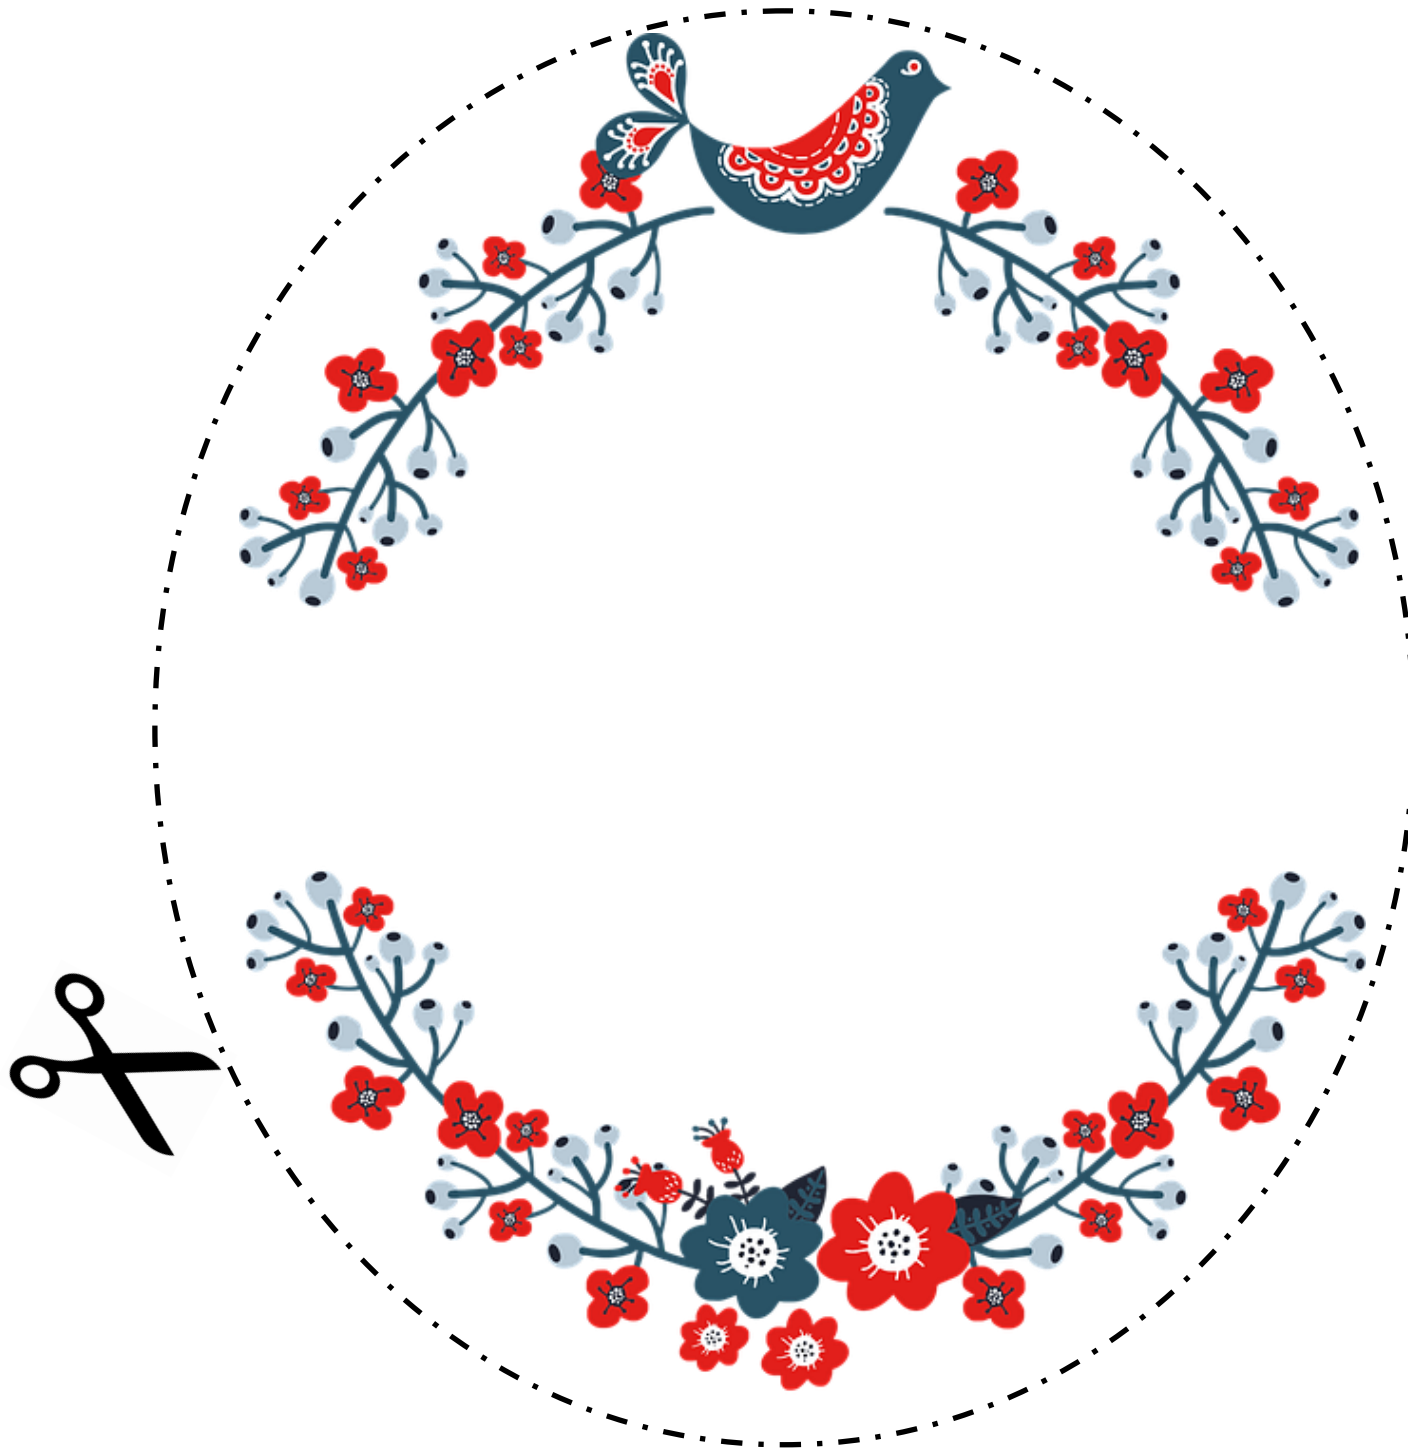

Print out this page or draw your own Christmas frame.

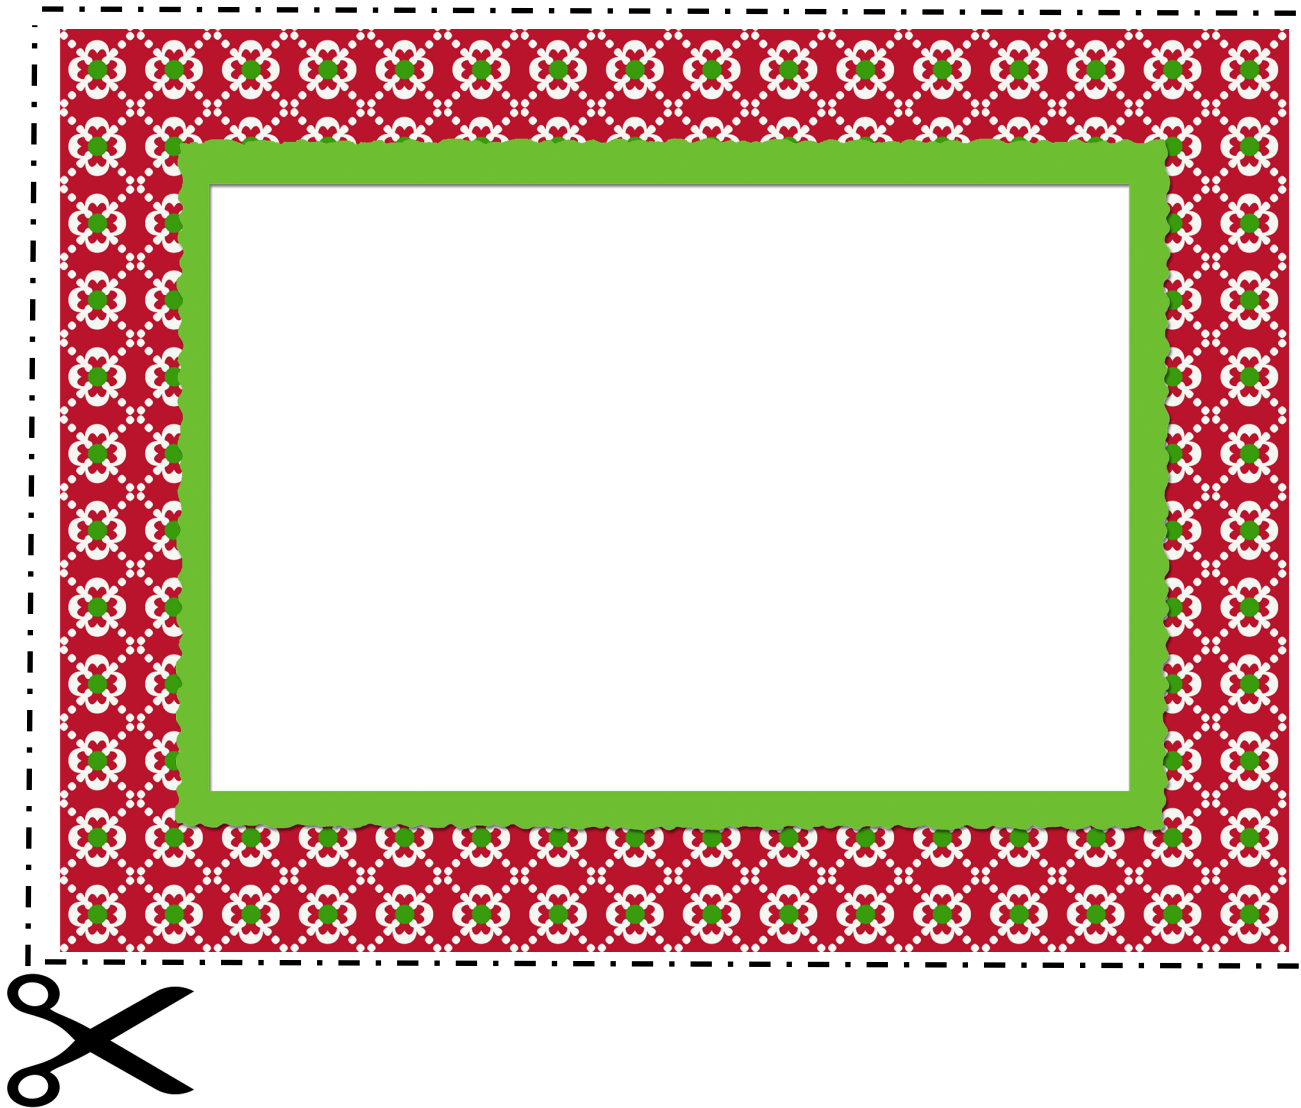

Cut around the image.

Glue or sticky tape the image onto cardboard to make it more solid.

Find a photo and stick it in the empty space in the middle of the frame.

Put the frame and photo on display . Or give it as a gift.
