

Drum Cans

What you need:

- Clean tin cans
- Balloons
- Rubber bands
- Chopsticks, or something similar like pencils to use as drum sticks

What to do:

1. Make sure you use cans that do not have a sharp edge.
Cut the neck off the balloon and stretch it over the top of the can. Secure with a rubber band. You may need help with this step, it is difficult to stretch the balloon over.
2. You can decorate the cans with paper .
3. Use the chopsticks to make music!
