

ART WITH PEBBLES

Ever picked up a pebble at the beach? Do you have pebbles in your garden?

Pebbles have amazing shapes, colours and textures. You can use pebbles to create lots of different types of art.

You can paint pebbles to look like animals or creatures.

You can use textas, crayons or pencils to decorate the pebbles with patterns. Or you could write messages on them.

You can use the natural shapes and textures of the pebbles to be the focus of your art.

You can even create cartoon images using pebbles as your starting point.

Start by looking at the following pages for inspiration.
