

Watercolour Texta Art

What you need:

- Thick paper
- Textas
- Plastic pocket
- Water

What to do:

- Draw squiggly lines on your plastic pocket, in any design you like.
- Spray or sprinkle a small amount of water over it.
- Place a piece of paper over the top of it.
- Turn it over and use your hands to spread the watercolours around.
- Peel off the plastic pocket.
- Leave the paper aside to dry.
- Once dry draw over the top of it with black texta, any design you like.
