

Lunar New Year Animal Memory Game

Print the pages and cut out each animal card. You can stick the card onto cardboard to make them stronger. If you do not have a printer, then draw your own!

How to play Memory:

- Shuffle the cards and lay them all out with the picture facing down.
- Each player has a go turning over two cards. If they do not match, turn them back over and someone else has a go.
- If you turn over a pair, you keep the cards. Whoever has the most cards at the end wins. You have to try and remember where each card is when they are turned over, so when it is your go, you choose two of the same card.
- Have fun!
