

# MARSHMALLOW CATAPULT

## What you need:

- Popsicle sticks x7
- Elastic bands x4
- Plastic bottle cap
- Mini marshmallows
- Textas
- Glue

## What to do:

- Colour in all your popsicle sticks.
- Rubber-band two sticks together at one end, then set aside.
- Stack the remaining five sticks and rubber band them together at both ends.
- Slide the stack of five sticks in between the two sticks that you already banded together.
- Use the fourth rubber band to secure all of the craft sticks together.
- Glue a plastic bottle cap to the end of the catapult. This is where you set up your marshmallows.
- Print the following page with targets or create your own target.
- Load up on mini marshmallows and have fun!
